## 156 SUITES

The exclusively chartered, Five Star, all-suite M.V. STAR BREEZE offers the ultimate cruising lifestyle. Enjoy the small ship experience of docking in ports inaccessible to larger vessels and tucking into delightful tiny harbors and hidden coves that others can't reach. Celebrate traditional "sail aways" on deck and experience small group island landings with Zodiac excursions that are led by expert naturalists.

Newly renovated in 2021, each of the 156 Five-Star Suites features one queen bed (many convertible to two twin beds), a private bathroom with granite countertops, shower and the amenities of a fine hotel—including luxurious Egyptian cotton linens, L'Occitane bath products, individual climate control and flat-screen satellite television with DVD. Every suite also offers a freshly stocked minibar, safe, hair dryers, dressing table, plush robes and slippers. Ideal for private viewing of coastal sites are the Classic and Owner's Suites, each with a private, furnished veranda. The French Balcony Suites feature a floor-to-ceiling sliding glass door and wooden railing, and the Ocean-View Suites have one picture window. Complimentary welcome flowers and fruit are provided in every Suite upon arrival.

Enjoy contemporary international cuisine in the elegant Amphora dining room and two new dining venues—Cuadro 44 by Anthony Sasso and Star Grill by Steven Raichlen. Complimentary house wine is served with dinner and nonalcoholic beverages are included throughout the cruise. The stylish Veranda restaurant features indoor and outdoor dining for breakfast or lunch, or you can reserve a table at the more intimate Candles restaurant for alfresco evening dining. The Yacht Club features complimentary specialty coffees and light snacks in between meals and room service is available 24 hours for your convenience.

For your leisure time on board, there are two bars, a comfortable library, computer center with Internet access, spa, fitness center, boutique, casino, infinity pool and a watersports marina featuring complimentary paddle boarding, kayaking and snorkeling equipment.

Enjoy enriching lectures and other gatherings in the inviting and tastefully appointed lounge. The ship has two elevators and there is a physician on board, along with a medical facility.

With ocean-views and over 277 square feet of comfort, M.V. STAR BREEZE is the perfect ship to watch magnificent landscapes drift by from the serenity of your suite.
