

A detailed botanical illustration of a flowering branch, likely a cherry blossom, rendered in a dark purple ink. The branch curves across the frame, bearing several five-petaled flowers in various stages of bloom, from buds to fully open blossoms. The leaves are elongated and pointed. The background is plain white.

HB THEATRE DEPARTMENT WINTER PLAY

**FEBRUARY 23, 24, 25**

Patrons for the Performing Arts Endowment Fund was established in 1987 to support and augment Performing Arts at Hathaway Brown School. The Fund sponsors the Artist-in-Residency Program, which brings a fresh focus to the arts, integrating it with the core curriculum throughout the school. Past residencies have included GroundWorks Dance Ensemble, PROJECT Trio, and many active playwrights in the dramatic field, to name a few.

We invite you to support these artistic and educational undertakings by contributing to the HB Annual Fund with the designation for the "Patrons for the Performing Arts," which perpetuates the rich offerings of a Hathaway Brown Education. Your generous contribution to this Fund makes a difference in the well-rounded artistic education of your daughter.

FOR TODAY. FOR TOMORROW. FOR LIFE.

**Your gift is your voice. It's your opportunity to show you believe in HB and the people who make it great. Please consider making a gift of any size, to the area of your choice, today.**

A generous TeachArtsOhio grant from the Ohio Arts Council has brought teaching artist, Diana Chittester to Hathaway Brown School to inspire, teach and lead students in the art of songwriting, music production and technology and modern rock band. Her work with HB's North Park Ensemble as well as Songwriting class and the HB Rock Band have been transformative.
