1922 Society

Individuals who make a commitment to the Cuyahoga County Public Library Foundation's future through a bequest or planned gift become members of the 1922 Society, named for the year CCPL was established. One of the easiest, most meaningful and enduring planned gifts an individual can make is a bequest to the CCPL Foundation in their will. Other legacy gifts are qualified retirement plans, life insurance policies, trusts, gift annuities or pooled income funds.

Your planned gift will be multiplied with gifts from other individuals and families to benefit programs and services available in all the branches. The new Sari Feldman Fund of the Cuyahoga County Public Library Foundation will support innovative programs and services that enhance library learning experiences throughout the CCPL system. These are library programs that secure CCPL's standing as one of the nation's leading public library systems but cannot be sustained through general operating funds alone. All unrestricted planned gifts given to the Cuyahoga County Public Library Foundation will help grow the Sari Feldman Fund to support continued and new programming.

1922 Society members will receive special access to exclusive author events, and will be publicly recognized in branches and Library publications. When the time is right for you to include a charitable gift in your estate plan, please remember the Cuyahoga County Public Library Foundation and know your legacy will make a difference for your community.
