

CASE WESTERN RESERVE  
UNIVERSITY EST. 1826

## AN IMPORTANT UPDATE FROM THE BIOCHEMISTRY STOCKROOM!

Due to increasing COVID-19 infection rates, the stockroom will be changing its ordering method. Orders now **MUST** be placed ahead of time by email - [stockroom@case.edu](mailto:stockroom@case.edu) - or by phone - 368-3486 -

**You MUST schedule a pickup time for your items by email or phone before you come and get them, and the items will be left outside for you along with a copy of the order form.**

**The stockroom door will remain closed, please knock and stand on one of the nearby marked X's on the floor if you need something immediately.**

**This will not affect our hours (12pm to 6pm) or DNA sequencing drop-off in any way.**

**[Click here for a copy of our order forms](#)**

## **How do I place an order?**

### **Send an email or phone call!**

Contact us at [stockroom@case.edu](mailto:stockroom@case.edu) to place an order, we only need the items plus your lab's information to get started.

### **Open Monday through Friday - 12pm to 6pm**

DNA sequencing drop off time with Genewiz is 4pm! Contact us to make arrangements for later a drop off.

[Check out our calendar - updated daily!](#)
