

**Curriculum Vitae
Susan Jorve Stagno, MD**

Updated: January 2018

Personal Data

Susan J. Stagno, MD
University Hospitals Case Medical Center
10524 Euclid Avenue, 13th floor
Cleveland, Ohio 44106
Phone: 216-844-1260
Fax: 216-844-5833
E-mail: susan.stagno@UHhospitals.org

Home: 2751 Claythorne Road
Shaker Heights, Ohio 44122
Phone: 216-932-3792

Education

High School: Marion Public School, Marion, North Dakota
1968-1972, Graduated salutatorian

College: University of North Dakota
Grand Forks, North Dakota
B.S. Degree in Natural Science, cum laude
1972-76

Medical School: University of North Dakota School of Medicine
Grand Forks, North Dakota
1977-79 – B.S. (Medicine) granted May 13, 1979
1979-81 – M.D. granted May 10, 1981

Harvard Macy Scholar: Harvard Macy Institute Program for Educators in the Healthcare Professions – 2009; Returning Scholar (faculty) – 2010, 2011, 2012, 2013, 2014, 2015

Certificate program in Narrative Practice: Center for Narrative Practice low-residency program, Boston, MA, 2015-16.

Post-Graduate Training

Residency: Psychiatry, The Ohio State University
7/1/81 to 6/30/85
Chief Resident in Psychiatry – Jan 1, 1983-April 30, 1984.

Fellowship: Clinical Bioethics
The Cleveland Clinic Foundation 1/1/93 to 6/30/95

Professional Appointments

Asked to direct this elective again for 2014.

Development of Humanities Pathway at CWRU SOM – Recruited Advisory Committee members from multi-disciplinary fields; developed mission, vision and goals; recruited Inaugural Class (six students) for Pathway; developed curriculum and seminar series for students.

BETH 411 – Narrative Medicine – 3 hour undergraduate and graduate level course offered in the Department of Bioethics; 15 students in fall semester 2017; offered for spring 2018

BETH 602 – Independent study in Narrative Medicine and Ethics, Spring 2018

Research

Humanitarian Use of Anafranil (Clomipramine) in Obsessive-Compulsive Disorder. Principal Investigator: S. Stagno; Co-investigator: J. Calabrese. RPC #2080 (Completed February, 1990)

Cingulotomy in the Treatment of Obsessive-Compulsive Disorder. Principal co-investigators: S. Stagno and S. Hassenbusch. RPC #3032 (Completed July, 1993)

Quality of Life and Psychosocial Issues in Persons Undergoing Surgery for Epilepsy. Susan J. Stagno, principal investigator, RPC #4093

Quality of Life in Epilepsy. Susan J. Stagno, principal investigator (multi-center study) RPC #4211, (Completed April, 1993)

A Phase III 28-day, multi-center, randomized, double-blind, comparative and placebo-controlled tolerance and efficacy study of CL 284,846 (Zelaplon) in adult outpatients with insomnia. RPC #4735. Wallace Mendelson, principal investigator. Susan Stagno, co-investigator.

A Phase III, six-month, open label safety and tolerance study of 5, 10, and 20 mg of CL 284,846 (Zelaplon) administered daily in adult outpatients. RPC # 4784. Wallace Mendelson, MD, principal investigator; Susan Stagno, MD co-investigator.

Preferences and opinions of physicians and patients regarding the use of chaperones. CCF funding: \$1900. RPC # 6093. Principal investigator.

Learning to Teach – Developing Teaching Skills During Psychiatry Residency Training – Principal Investigator. UH IRB #10-09-07

Piloting a Quality Improvement Program for Psychiatry Residents – Principal Investigator. Co-investigator - Mark Cheren, Ed.D. UH IRB #EM -10-33

Expert-led Discussion and Self-tracked Health Behavior Change for the Promotion of Well-being and burnout Prevention in a Problem-based Learning Curriculum: A Pilot Elective – Principal investigator; co-investigator: Rachel Katz, Case IRB # 20101006

Transition to Residency Pilot Outcomes Study – Principal Investigator; Megan McNamara, co-investigator, Case IRB # 2013-387

Burnout and Empathy in the First Year of Residency -- Using the Humanities to Develop the Interior Life IRB # 05-15-36 – Principal investigators: John DeMott, DO and Brenna Brown; co-investigators: Susan Stagno, MD, Sarah Rubin, PhD

Grants/Research Support

Androgyny, Empathy and Ethical Decision-Making Among Physicians. RPC # 4557. Principal investigator. Grant from The Greenwall Foundation \$25,500.

GME Innovations Award Grant: Clinical Skills Block: An interdisciplinary and multidisciplinary approach to teach core tenets of post-graduate medical education. Co-PI: Keith Armitage, MD and Susan Stagno, MD; Co-investigators: Lisa Arfons, Charles LoPresti, Ronda Mourad, Simran Singh. \$5000, awarded February, 2014.

GME Innovations Award Grant: “Interactive Learning: Utilizing the “Flipped Classroom” in Residency Education.” Co-investigators – Susan Stagno, MD and Cathleen Cerny, MD. \$7373.00, awarded June, 2014.

GME Innovations Award Grant: “Leadership in Medical Education Track” PI: Charles LoPresti, MD; co-investigators: Susan Stagno, MD, David Preston, MD, Maureen McEnery, PhD, awarded December 2016.

Mapping the Landscape: Journeying Together – Arnold P. Gold Foundation Grant 1016-18 – team member for “Interventions to prevent burnout among undergraduate and graduate medical education trainees: A systematic review”
