

Case Western Reserve University School of Medicine Continuing Medical Education Firewall Policy

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians and, as such, directly and jointly sponsors only certified continuing medical education activities. Case Western Reserve University School of Medicine does not conduct any promotional education activities.

In keeping with this policy, and in compliance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support, Case Western Reserve University School of Medicine is in full control of the content of all educational activities it sponsors. Case Western Reserve University School of Medicine and its educational partners make all content decisions, without influence from commercial supporters.

Case Western Reserve University School of Medicine is not owned by, nor part of, any proprietary entity producing, marketing, reselling, distributing or otherwise participating in or profiting from the distribution, promotion or sale of healthcare goods or services consumed by, or used on, patients.
