### Fingerprinting

CWRU Police provides electronic fingerprinting (BCI/FBI) for in-state licensure along with ink rolled FBI cards for out-of-state licensure or in-state agencies that require a fingerprint card submission. We have been doing this for the past 15 years for our students.

CWRU PD currently does this by appointment only, usually on Tuesday mornings or Thursday afternoons (dates/times subject to change). Students can call or Email Sergeant Daniel J. Schemmel at [djs49@case.edu](mailto:djs49@case.edu) to schedule an appointment. For larger groups, the CWRU Police can come to your department and complete the fingerprinting on-site.
