

Translational Science Week 2026

CHAMPIONS IN RESEARCH

Thursday, September 17, 2026

Lunch & Learn: Connecting UToledo Students & Faculty to the CTSC of Northern Ohio

12:00PM - 1:00PM, EST

The University of Toledo
Health Science Campus (HEB105)

Discover how the CTSC of Northern Ohio supports University of Toledo students and faculty through research resources, collaboration opportunities, and services designed to advance translational science across the region.

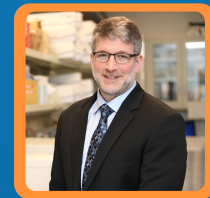

Explore:

- Insights from experienced investigators on navigating a successful research career
- CTSC resources, services, and opportunities available to researchers at all career stages
- Ways to engage with the CTSC network and build research collaborations
- Complimentary lunch provided

About Translational Science Week:

Translational Science Week 2026 celebrates the CTSC's 19th anniversary with webinars, interactive sessions, and networking centered on the theme, Champions in Research, honoring those advancing translational science.

Featured Speakers:

Steve Haller, PhD
The University of Toledo

David Kennedy, PhD
The University of Toledo
