

# Translational Science Week 2026

## CHAMPIONS IN RESEARCH

### Monday, September 14, 2026

#### Success Stories from One CTSA - Lessons Learned

**11:30AM - 12:30PM, EST**

**Virtual Via Zoom**

Hear from Philip Greenland, MD about lessons learned from a long-standing CTSA program and how its resources have evolved to accelerate translational research.

#### Explore:

- Building and strengthening research support
- Developing the next generation of researchers
- Engaging communities in research
- Turning successful initiatives into real-world impact
- Lessons that can inspire CTSA programs across the consortium

#### About Translational Science Week:

Translational Science Week 2026 celebrates the CTSC's 19th anniversary with webinars, interactive sessions, and networking centered on the theme, Champions in Research, honoring those advancing translational science.
