

Translational Science Week 2026

CHAMPIONS IN RESEARCH

Wednesday, September 16, 2026

Lunch & Learn: Connecting NEOMED Students & Faculty to the CTSC of Northern Ohio

12:00PM - 1:00PM, EST

NEOMED, Liebelt Lecture Hall

Discover how the CTSC of Northern Ohio supports NEOMED students and faculty through research resources, collaboration opportunities, and services designed to accelerate translational science across the region.

Explore:

- Strategies for balancing clinical responsibilities with a successful research career
- Insights and lessons learned from an experienced physician-scientist
- CTSC resources, services, and opportunities available to researchers at all career stages
- Complimentary lunch provided

About Translational Science Week:

Translational Science Week 2026 celebrates the CTSC's 19th anniversary with webinars, interactive sessions, and networking centered on the theme, Champions in Research, honoring those advancing translational science.

Featured Speaker:

Omer S. Ashruf, MD
Indiana University
