

<input type="checkbox"/> BS/MS	<input type="checkbox"/> IGS	<input type="checkbox"/> Revision
--------------------------------	------------------------------	-----------------------------------

All BS/MS or IGS students must submit a paper Planned Program of Study with their application materials. This document must be certified by the student's academic advisor, the department chairman and Undergraduate Studies. This form must list all coursework required for the degree program. Every course listed must have a passing grade.

BS/MS and IGS students must indicate the courses being double counted towards both degrees in the "Double Count" field. A student can count a class that was taken prior to admission to the BS/MS or IGS program, **if it is in excess of the bachelor's degree requirements.**
