

Applying to the MS Regenerative Medicine and Entrepreneurship Program

Online Application	Start your application! Please indicate that you are applying to the MS in Regenerative Medicine and Entrepreneurship program. A \$50 application fee is due upon submission of your application.
Statement of Purpose	A one-page reflection detailing why you want to pursue RGME, your personal and professional goals, and any previous research experience and interests.
Resumé or CV	Upload your current resumé or CV outlining all work experience and/or volunteer roles including time frames. Make sure to highlight any completed research positions or opportunities experienced.
Transcripts	Include school-issued official or unofficial transcripts for each college or university attended. We accept electronic transcripts if they are sent from the institution or the institution's transcript service directly to mxp449@case.edu.
Two Letters of Recommendation	Identify two individuals who can provide professional letters of recommendation. Recommenders can include supervisors, professors, lab managers, and others who can attest to your academic or professional experience. Instructions on how to submit Interfolio recommendations are available within the application portal.

Test Scores (Optional)

While GRE, MCAT, or GMAT score reports can be uploaded into the application, they are not required.

International Applicants*

*Upload test-taker results of TOEFL or IELTS exam.

The language test requirement will be waived if you have completed a bachelor's or master's degree from an institution where English is the primary language of instruction, or if your home country's primary spoken language is English. [Click here for more details.](#)
