Figure 20

- t. Once the 'release/hold' is processed, and an e-mail has been issued from the School of Graduate Studies you may enter SIS and register (☺).

The following are step-by-step guides on how to register for CRSP 401, Health Fee Waiver (fall and spring), Opting out of One-to-One-Fitness (fall and spring), and purchase a parking permit.

1. Begin by logging in to the SIS at case.edu/sis with your CWRU Network ID and password.
2. From **Student Home**, click the **Classes & Enrollment** tile. Or, from the **NavBar**, select Navigator > Academics > Classes & Enrollment.
3. The **Classes & Enrollment** page will appear. **Class Search and Enroll** is automatically selected.
4. Click the **Term** in which you wish to enroll. If you are active in multiple careers, select the appropriate career.
5. Enter a keyword or name for which you want to search, e.g. **biology** or **Smith**, then hit **Enter** or click the **Search icon** to the right of the search bar. Or, click **Additional ways to search** to select a specific subject area.

If you have previously saved a course as a favorite for this term, the course will be listed under **Favorites**. Some recently viewed courses may also appear.

6. Search results appear by course. Under each course, the number of class options available display.

The filters on the left side of the screen narrow the search results.

Each time a filter is selected, the results immediately refresh and the remaining available filters update to only show filters that apply to the remaining results. To remove a filter, click the **X** to the right of the filter at the top of the screen, or click **Clear All** to remove all selected filters.

7. Click a course in the search results. More course information displays including the course description, the number of units for which the course is offered, and the way in which the class is graded. Below this section, all of the classes available for the course display. If the course consists of multiple components such as lectures and labs, all available combinations of the components will be presented. Closed classes will display at the bottom of the list.
8. To the right of the **Seats** field is a button with three dots. Click this button to view additional class details and items including the following:
 - Room locations with a link to the campus map
 - Combined section information
 - Exam schedule information
 - Textbook information with a link to the bookstore
 - Course evaluations
 - Class fees

If more detailed information about the specific section is needed, click the link in the **Class** column. A pop-up window with multiple tabs will appear.

- The **Meeting Information** tab shows the class meeting dates, days and times along with room assignments, if any, and instructors.
- On **Enrollment Information**, enrollment requirements such as prerequisites/corequisites or Instructor Consent will display.
- **Class Details** will give more class information such as the location and campus where the course is offered.
Class Availability will display the enrollment capacity of the class, the number of students already enrolled, and the available seats for the class.

9. If there is a caret pointing right on the far right, clicking anywhere on the row will start the enrollment process or add the class to the shopping cart.

If there is no arrow, enrollment for the term may no longer be open or you may be ineligible to enroll in the course.

10. After selecting the course, the **Review Class Selection** step appears. Review the class to confirm this is the class in which you would like to enroll or add to the shopping cart. Once confirmed, click **Next**.
11. If the class offers a waitlist, you may request to be put on the waitlist if the class is full. Click the slider to change the response.
12. If the class is offered for a variable number of units, select the appropriate number of units from the dropdown list.
13. Click **Accept**.
14. The **Enroll or Add to Cart** page appears. Select whether you wish to **Enroll** in the class or **Add to Shopping Cart**. If your enrollment appointment date has not arrived for the term, you will only be able to select **Add to Shopping Cart**.

Note: If you attempt to enroll and are unable to enroll for any reason, e.g., the class is closed or there is a time conflict with another class, the class will not automatically be added to the shopping cart. You may add all courses to the shopping cart first, then attempt to enroll in all classes at once.

After making a selection, click **Next**.

15. The **Review and Submit** page appears. Click on any of the previous steps on the left to review and change options if needed. If the class displayed is correct and all preferences are set correctly, click **Submit**.
16. Click **Yes** to confirm submission of the class choice.
17. The **Confirmation** page appears, which will either indicate that class enrollment was selected or will present an error message.

If an error is displayed, and there are options available to resolve the error, you will see a **Request Permissions** link. Some enrollment errors, such as registration holds, cannot be resolved with permissions. Be sure to click the **Tasks** tile on the **Student Home** to resolve any registration holds before enrolling.

18. If permission requests are needed, click the **Request Permissions** link. More permissions may be listed than appeared in the original error message.
19. Select the permissions for submission, enter a reason for requesting permission, and click **Submit Request**. See **Requesting Class Permissions** on the [SIS Resources page](#) for more information.

Enroll from Shopping Cart

Note: If you attempt to edit your selection and are unable to enroll in the newly selected class, the original class will not be removed from your schedule.

Go to step 23.

OPTING OUT OF ONE-TO-ONE FITNESS CHARGE

Starting Fall 2016 all graduate students will have an automatic One to One Fitness charge added to their student account. Fall 2016 fee is \$145. If you do not want to use One to One Fitness you must opt-out (see instructions below) and you will not be charged the semester fee. **Opting-out is semester specific and must be completed each semester for which you do not want to use One to One Fitness.** If you do wish to take part in the discounted program and you intend to use your federal financial aid, you must grant permission for those funds to be used (as this is not normally a fee that is covered by aid unless specific permission is granted). Instructions to do that are below.

The last day to opt-out of One to One Fitness for Fall 2020 is September 7, 2020 (last day of drop/add).

If you have questions about the program, please contact Bryn Mota, Director of One to One Fitness, at bryn.mota@case.edu or [216-368-1121](tel:216-368-1121).

To opt-out of One to One Fitness:

At the end of the registration process, you will see an announcement of the One to One Membership fee below the Health Waiver button. Instructions to waive the One to One Membership Fee or keep the membership and use any Financial Aid funding in excess of your standard costs to cover the fee are outlined below.

You Can Waive the Fee From Two Places

GENERAL PARKING INFORMATION

If you choose to park on campus you must purchase a hangtag parking permit and display it on the rearview mirror of your vehicle(s). All commuter students are eligible for permits upon enrollment.

- 1.) To obtain a parking permit:
 - a. **WHERE** - Go to Crawford Hall (across from Severance Hall), Room 18 in the lower level. Office hours are Monday – Friday, 9:00 a.m. – 4:00 p.m.
 - b. **WHAT YOU WILL NEED** - Bring Case ID, your license, and auto information (make, model, state vehicle is licensed, and license plate number). Please note that if you have a license from another country you are still eligible to get a permit.
 - c. **TYPE OF PERMITS** – For summer you must determine the type of permit – part-time vs. full-time and weekly vs. monthly.
 - i. Part-time permits are issued to Master’s students taking less than 9 credit hours; whereas, full-time students are taking 9 credits or more during a semester. The difference being that part-time students must leave the assigned lot before 10:00 p.m., while, full time students do not have this restriction.
 - ii. During the summer, permits may be purchased on a weekly or monthly basis. The schedule for the weekly permits is Monday through Friday. Monthly permits run on a calendar schedule and begin on the date you purchase the permit and ends 30 days later.
 - d. **RATES** –
 - i. Rates are based on type of permit (weekly or monthly) and which lot you wish to park.
 - ii. Rates for summer are determined in late April or early May and at that time can be found at http://www.case.edu/accessservices/parking_rates.html.
 - e. **LOTS** –
 - i. For summer, permits are available for lots 5, 44, 47, 53, 29, 46, and 57 (see map).
 - ii. Lots with gate arms require the use of a gate card or a university ID card for access. Case ID cards are automatically programmed upon permit issuance for access to the assigned lot.
 - iii. If you need to park in an area other than your assigned area you may request a courtesy pass for closer parking from Education Support Services (ESS) at 216-368-5230, request Susan Sampson. The courtesy pass is a temporary permit in the lot that will best serve your needs for the duration of the disability.
- 2.) Things you need to know about the permit.
 - a. Your permit must be placed on your rearview mirror so it may be clearly viewed from the front of the vehicle.
 - b. If a hangtag is lost or misplaced, a replacement can be issued at Access Services, at a replacement fee.
 - c. Tampering with a hangtag may result in towing, a \$100 fine, and loss of parking privileges.
 - d. Permits are transferable only to other vehicles owned by the permit holder or to rental cars.
 - e. Permit holders may not sell their hangtags to other individuals.
 - f. To update your new vehicle information, e-mail the new vehicle's license plate number, state of registration, year, make, model, and color of the vehicle) to access@case.edu.
