

**Department of Population and Quantitative Health Sciences
PhD Lab Rotation Evaluation Form**

Student Name			
Rotation Supervisor		Rotation #	
Describe the work you did for your supervisor during your rotation?			
What did you learn during your rotation?			
Were your expectations for this rotation met? Did you end up working on/learning what you thought you would? (Scale 1 to 5 : 1 = Not at All & 5 = Exceeded Expectations)			
Would you recommend other PhD students spend a rotation in this lab/with this supervisor? (Scale 1 to 5 : 1 = Would Not Recommend & 5 = Highly Recommend)			
Student Signature		Date	

Once completed*, please return to Kim Krajcovic (kxk917@case.edu) in the Population and Quantitative Health Sciences' Administration Office, WG-74.
