

Poster Presentation Guidelines:

- Poster boards will be 40" high by 60" wide.
- Poster component(s) will be attached by thumbtacks or push pins.
- All posters should include the title, authors, department and institution in large letters on the top.
- The abstract is usually in the left upper corner and the conclusions in the right lower corner.
- One suggested format is to provide sections describing the background, question or hypothesis, methods, results, and conclusions/interpretation.
- Organize the poster in 3-4 columns that are read from top to bottom, then left to right.
- Please be sure that the text can be read from a distance of 4-6 feet away.
- The poster can be either a single large piece or a series of 8.5 x 11 inch pieces.

Poster Printing Suggestions:

- Department of Physiology and Biophysics located in SOM Robbins, 5th floor. Contact Michael Little by email at mdl87@case.edu.
- The Case library here is the link: <http://library.case.edu/ksl/freedmancenter/poster/>.

If you submitted more than one abstract you will be able to present two of them during the poster session. Below I have provided you with a tentative schedule for Lepow Day, if there are any changes you will be notified. Please feel free to call with questions.
