Characteristics of the CCLC Model

- Longitudinal structure enhances student autonomy and improves feedback
- Flexible time to explore career interests
- 2-week intro electives designed for CCLC students
- Year long core didactic curriculum
- Palliative medicine
- Avoid multiple orientations/transitions
- 32 College Program students + ~44 University Program students

SCHOOL OF MEDICINE

CASE WESTERN RESERVE
UNIVERSITY

Longitudinal Learning Groups

- 8 groups of 9 students (5 UP + 4 CP)
- 2 faculty preceptors
- Monthly meetings
- Student driven content
- Monitoring of student progress
- Career advising

SCHOOL OF MEDICINE

CASE WESTERN RESERVE
UNIVERSITY

What is the MHMC Longitudinal Integrated Clerkship?

- Provides an outpatient longitudinal continuity experience with patients and faculty, facilitating the learning of the effects of illness and therapy over time
- Integrates clinical experiences across the major medical disciplines
- Provides teachers and evaluators with a longitudinal view of student performance and therefore an opportunity to direct, nurture, and modify student learning and behaviors

SCHOOL OF MEDICINE

CASE WESTERN RESERVE
UNIVERSITY

Metro LIC: Some Pros and Cons of a Longitudinal Integrated Curriculum

Pros

- Promotes rich longitudinal learning and caring relationships among patients, students and faculty
- Increases exposure to outpatient medicine and attending life

Cons

- Requires larger numbers of attendings and is logistically complicated
- Decreases exposure to inpatient medicine and resident life

SCHOOL OF MEDICINE

CASE WESTERN RESERVE
UNIVERSITY

Metro LIC: Research, Health Systems and Disparities

- Exceed the research goals and requirements of the medical school with a clinical research project embedded in and enriched by MetroHealth faculty and take advantage of Metro's strengths in informatics, population health, and healthcare disparities
- Synthesize health systems and disparities knowledge with population-based research and improvement projects that reflect current ambulatory quality improvement projects and healthcare delivery models

Deadlines

- Set preference for Block Clerkships/CC Longitudinal Curriculum/MHMC LIC or No Preference
 - Canvas Quiz
 - Open today, closes Monday, October 27th at 5pm
 - Include any major considerations for scheduling (major life events)
- **Your preference is NOT A GUARANTEE**
 - You will have the opportunity to trade after receiving your assignment
 - Assignments will be released around the end of November

SCHOOL OF MEDICINE

CASE WESTERN RESERVE
UNIVERSITY

Deadlines 2

- CCLC students will be contacted by Amy McKee for scheduling preferences
- Block clerkship students will be contacted by Carol Chalkley for scheduling preferences
 - Look for email through listserve
 - Major life events/considerations
 - Rotation order is assigned and may be traded
 - Site preferences for each rotation are solicited twice a year and are assigned on a rolling basis throughout the year

SCHOOL OF MEDICINE

CASE WESTERN RESERVE
UNIVERSITY

Deadlines 3

- Early Core lottery will open late November
 - Available to do Core 3 or 4 in April/May
- Available only to non-LC/LIC students

SCHOOL OF MEDICINE

CASE WESTERN RESERVE

Grading

- Applies to Clerkships for **University Program** students only regardless of site
- Two elements to determine final grade
 - Clinical Performance
 - Written Exam Performance

Overall Clinical Performance	Written Exam Score	FINAL GRADE
Outstanding	Honors Eligible	Honors
Outstanding	Pass	Commendable (with Clinical Distinction)
Above Expectations	Pass or Honors Eligible	Commendable
Meets Expectations	Pass or Honors Eligible	Satisfactory

Not meeting expectations in Clinical Performance or failing the written exam will result in a final grade of **Unsatisfactory**.

Registering & Scheduling for Step 1

1. Students independently start the registration process about Nov/Dec. Cannot schedule more than 6 months in advance.
2. Go to Usmle.org and read the USMLE Bulletin and register.
3. More information on our website. See “USMLE Step 1 Registration” in the “Scheduling” Tab.
4. *PRINT out student verification form, SIGN and BRING to our office for USMLE Certification, ATTACH/TAPE photo that we will provide to you.*
5. Registrar signs and send to the NBME. Allow 3-4 weeks to process.
6. We routinely verify exam permission through the NBME site every Monday, Wednesday and Friday.
7. NBME will then provide a 3 month permit schedule, even though only 2 months are needed. Students will then schedule a test date in 3 month window.
8. USMLE scores are confidential.
