Please join us to wine and dine at Michael Angelo’s Winery for our 8TH ANNUAL GIVING KIDS HOPE EVENT!

Emceed by New Philadelphia native Mitchell Drumm, PhD, director of Case Western Reserve University’s Research Institute for Children’s Health, and Fox 8 Host and Anchor Natalie Herbick. Andy Baskin, Sports Personality, will also be speaking.

Proceeds from the event benefit the Research Institute for Children’s Health at Case Western Reserve University School of Medicine as they work to improve the treatment of genetic diseases and disorders through accelerated biomedical research in genetic-based childhood illnesses that still lack effective therapies.
