Hi everyone,

For all the M3s interested in applying to EM for residency, the program directors at UH and Metro have asked us to set up a panel on **January 17th, 2020** with them to discuss:

- Als (when to do them, how many to do, where to go them, how to do well on them),
- SLOEs
- Step scores
- ERAS etc.

The directors asked us to get a rough head count so please fill out this excel sheet if you are interested in attending the event. This panel is obviously targeted towards M3s but anyone else is welcome to attend as well.

Thanks and let us know if you have any questions.

**PEDIATRIC ACTING INTERNSHIP
INFORMATION MEETING & PIZZA NIGHT**

[\(Please RSVP by 10:00am 1/8\)](#)

WHEN: January 14th at 6:30pm

WHERE: RB&C Community Room 1208

Located near the kinetic sculpture (the bouncing ball machine) as you enter Rainbow from the Atrium

To be discussed:

- mechanism and timing for enrolling in Peds AI at RB&C
- planning 4th year (acting internships, electives, selecting programs, letters of recommendation, etc.)
- applying for residencies in Pediatrics and related fields

Dr. Dell is hosting this meeting for students potentially interested in doing a Pediatric Acting Internship at Rainbow Babies & Children's Hospital in the upcoming year.

This is only an informational meeting – attendance at the meeting does not commit you to doing a Peds AI, and no signup will occur at the meeting. You may still signup for a Peds AI if you are unable to attend the meeting, but the information discussed will make the process clearer.

Please RSVP by 9am 1/8 via email to: Kelly.Kelley@UHhospitals.org, or 216-844-2591

Let me know if you:

- plan to attend the meeting (so there is enough pizza for everyone)
- have a Nut Allergy
- cannot attend but would like to receive a Gen AI Signup form
- have any questions 😊

*Sign-up forms will be available at the meeting and are attached to this email in order to facilitate getting forms to students who cannot attend the meeting. However, **Email Requests / FORMS WILL NOT BE ACCEPTED PRIOR TO 1/14.***

In case you are wondering, sign up for ICU AIs begins 2/1, *after* the Gen AI rosters are finalized.

I'm looking forward to knowing if you can join us!

Kelly 😊
