Case Western Reserve University

SCHOOL OF MEDICINE

Doctor of Medicine – University Program (4 yr. MD)

In the University Program (4 yr. MD) at Case Western Reserve University School of Medicine, you don't only receive a world-class education—you gain access to our four prestigious hospital partners and extensive opportunities for research and hands-on learning.

Our University Program By the Numbers

7,000
applicants

800
interviews

170
matriculated students

GPA:
3.12-4.00

Science GPA:
3.03-4.00

MCAT:
509-525

At CWRU, our mission is centered on education and community impact, fueled by research, innovation and collaboration. We pride ourselves on having not just one, but five “campuses” through our partnerships with local, world-class hospital systems: Cleveland Clinic, University Hospitals, MetroHealth and Louis Stokes Cleveland VA Medical Center.

As a School of Medicine student, you will gain firsthand experience in clinical and research settings while building a network for your future career. Our Health Education Campus with Cleveland Clinic is home to the 485,000-square-foot, state-of-the-art Sheila and Eric Samson Pavilion, a setting in which you'll have the opportunity to learn alongside other medical, nursing and dental students as you gain a well-rounded education.

Looking for advice on your medical school application?

Join CWRU's Senior Director of Admissions and Financial Aid, Christian Essman, as he connects with medical school representatives from across the country on his podcast “All Access: Med School Admissions.”
