FPB Research & Scholarship Highlights of the Past Year

- Continued to build programs of research that include biomarkers (e.g., genetics, imaging)
- Increased our collaborative research with clinical and campus-wide partners
- Continued grantsmanship and scholarly writing education for all faculty
- Increased the number of undergraduate students participating on research projects
- Continued to grow our postdoctoral training program – currently have 10 funded postdoctoral fellows
- Increased our Federal dollars received this past year by \$4 million compared to the last fiscal year.
- Ranked #14 in NIH dollars received among schools of nursing nationally

FRANCES PAYNE BOLTON
SCHOOL OF NURSING

CASE WESTERN RESERVE
UNIVERSITY

FPB Centers of Excellence Highlights of the Past Year

- QSEN Institute held the 7th National QSEN Forum in San Antonio, Tx
- The QSEN Institute received over \$65,000 in external funding
- The University Center on Aging and Health received \$50,000 in funding from the McGregor Foundation
- The Sara Cole Hirsh Institute for Best Nursing Practice Based on Evidence developed a summer training certificate program
- The SMART Center (Self-Management Advancement through Research and Translation) has 8 ongoing pilot studies investigating the neurobiology of self-management of chronic conditions

Research at FPB School of Nursing

Future Directions

- Continue to develop our five focus areas of research: Symptom science, Self-management of health and illness, Family/community care, Aging across the lifespan, Neuroscience
- Expand our research portfolio to include more foundation and industry research
- Increase our collaborative research with clinical and campus-wide partners
- Nurture early-stage investigators
- Involve all levels of students in research
- Provide more education for faculty and staff regarding research issues
- Develop an “Idea Incubator” to spur creative, new research

Faculty Development in Best Practices of Simulation

**To Promote Interprofessional
Collaborative Practice**

Celeste Alfes & Tonya Rutherford Hemming

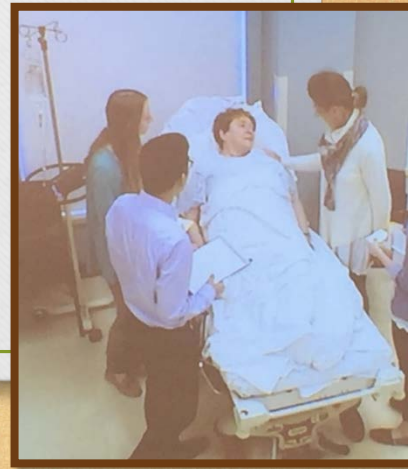

12 Week Simulation Program

- **Goal:** Development of a simulation learning activity between CWRU's School of Medicine, Nursing, and Physician Assistant Programs
- **Objectives:**
 - 1. Enhance discovery, team building, and experiential learning between the disciplines
 - 2. Create synergy through collaboration, mutual respect, and support
 - 3. Promote interprofessional scholarly curricula

Workshops Based on Standards of Best Practice

- Focus: Effective communication across the professions
- Last session: trial run of the simulation with students from the disciplines
- Scenario: Obtaining a health history from a patient with dementia
- Utilized professional standardized patients
- Formal prebrief, debrief, & video recording of the scenario

Implementing the IPE Simulation

- Simulation will be formally introduced to approximately 120 students from nursing, medicine, and PA program October 2016
- May be incorporated into CWRU's first IPE course
- Submitted for publication to Clinical Simulation in Nursing
- Submitted for presentation to International Congress in Nursing

Innovation Award Winner Presentation

Yes - We have an AED!

- Thanks to the Student Nursing Organization for purchasing a AED for our School
- EMTs from CWRU demonstrated the use of AEDs at faculty and staff meetings.

Stat Camp for DNP and MSN Students

Earn 30 CEUs and meet your basic statistics course requirements with our self-guided learning modules.

If you have not taken a basic statistics course in the past five years or need a refresher before your required NUND 450 Applied Statistics class, try our Stat Camp for enrolled DNP and MSN students.

This 30-credit CE program consists of 10 modules. Whether you need to be introduced to the foundations of statistics or just get reacquainted, our goal is to prepare you to be successful in our NUND 450 course. These modules include:

- A review of basic statistical concepts
- A review of basic research techniques such as sampling
- A review of univariate statistical analysis
- A review of bivariate statistical analysis
- An overview of commonly used statistical tests

- Alumni Standardized Patient Program
- CHOMP
- STAT Camp
- FPB/OAAPN Online CE Course
- Center for Nursing Education, Simulation and Innovation

Curricular Innovation

- BSN Perioperative Requirement
- First Acute Care Ped NP Cohort
- New MSN Track in Education
