Academic Integrity and Conduct

Student Conduct (not AI associated)

Examples:

- Student pushes a faculty member
- Student is arrested in a public brawl

Regardless of program (BSN, MN, MSN, DNP, PhD), the student is referred to the university Office of Student Conduct (new)

Academic Integrity

Includes classroom, lab and clinical issues

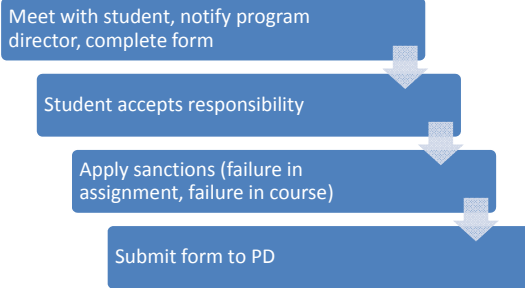

Examples include:

- Plagiarism
- Suspected cheating on a classroom test
- Lying about patient care in the clinical setting
- False documentation in the clinical setting (e.g. falsifying hours, patient charting)

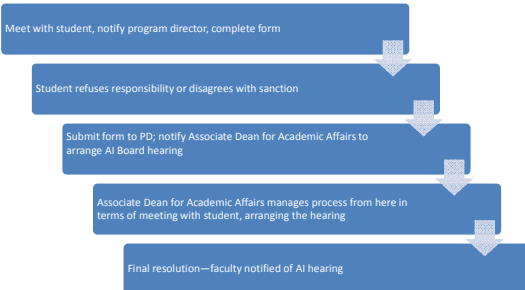

Where to go

- BSN students: Academic Integrity Board through Office of Student Affairs
- PhD students: Office of Graduate Studies
- MN, MSN, DNP: within the School of Nursing

Process initiated by faculty for MN, MSN and DNP

AI issues transcend Grievance

- Students sometimes want to use the grievance process to argue an academic integrity issue
- AI takes precedence

There will always be the unexpected!

- We will call for advice if needed
