

MASTER OF SCIENCE IN NURSING

Adult-Gerontology Nurse Practitioner

Providing care to patients from late-adolescence to older adults

Caring for Adults and Elders

Adult-gero NPs provide comprehensive care, including wellness and acute and chronic illness care, to patients from late-adolescence through adulthood to the elderly, emphasizing health promotion, disease prevention, and comprehensive gerontological assessment.

Diverse Career Options and Settings

Adult-gero NPs practice in a wide variety of locations that include hospitals, urgent and primary care settings, community clinics, long-term care facilities, and private practice.

Course Format For Your Schedule

The adult-gero NP major, as part of FPB's MSN program, requires 41 credit hours of coursework, plus about 600 hours of clinicals. The coursework is usually completed within 18 months (four semesters), and courses are offered in a distance-friendly format that requires about eight trips to Cleveland for full-time students. Flip for the sample curriculum.

Post-master's certificates can be provided, based on individual needs and background education.
