About Adult-Gerontology Primary Care Nurse Practitioner

Adult-gerontology nurse practitioners (NPs) provide comprehensive care, including wellness and acute and chronic illness care, to adolescents, adults and older adults. Adult-gerontology NPs emphasize health promotion, disease prevention and comprehensive gerontological assessment.

Clinical Partnerships

During your program, you'll gain experience, through 600 clinical hours in:

- Classic primary care clinics, women's health clinics, and long-term care facilities
- Clinical sites such as Cleveland Clinic, University Hospitals, MetroHealth, and the Louis Stokes Cleveland VA Medical Center

Careers

Adult-gerontology primary care NP graduates take on careers in outpatient primary care, student health services, skilled nursing facilities, long-term care, palliative care, and various specialty clinics.
