

Bachelor of Science in Nursing (BSN)

The Frances Payne Bolton School of Nursing at Case Western Reserve University is one of the top ranked private university nursing programs in America. We combine a rigorous curriculum, expert faculty and intensive experience in University Hospitals, Cleveland Clinic, MetroHealth, the Louis Stokes Cleveland VA Medical Center and dozens of other clinical settings to produce tomorrow's health care leaders and innovators.

If you seek a highly ranked, competitive university... if you see yourself as a leader... if you want to contribute to the world through intelligent, compassionate patient care, through breakthrough research, by shaping public policy, through inspirational teaching, the Frances Payne Bolton School of Nursing is the place for you.

Here you will experience big ideas and small classes. From the first minute of your 1300+ clinical hours to your senior capstone project, you are more than just a face in the crowd. You are part of a rich, academic experience that combines a foundation in theory, research and practice with hands-on learning and leadership development in real-world settings.

You can also have a complete college experience that includes playing 19 Division III sports or playing the violin. You can go Greek or go abroad to study. It's up to you.

It's your future as a health care leader educated at the nationally ranked Frances Payne Bolton School of Nursing at Case Western Reserve University.

Program Highlights

- Direct admission to undergraduate program
- No pre-nursing requirements
- No second applications
- Nursing courses start your first semester
- Clinical placements and patient contact begin your third week on campus
- Earn 1300+ clinical hours
- Perioperative nursing course provides seven weeks of operating room experience
- Discover research opportunities that impact the future of health care
