The Meaning of Pinning

The pin is worn by nurses to identify the school of nursing from which they graduated. It is presented as a symbolic welcome into the profession.

Many people, patients, and professionals will see this emblem. Our service must mean to them What it means to us, Unselfish Service, Ageless Wisdom, Constant Courage, The courageous sufferer, Infinite Faith, Encircled and made one by an understanding love for others.

— excerpt from a poem by Dean Marian G. Howell, 1938
