TIPS TO NAVIGATE DISCOVER WEEK:

- Go into the week with an open mind and know that everyone is starting a new chapter, just like you. The feelings of excitement and nervousness are common. We have a great week planned for you!
- Your orientation leaders are your guides for the week. They are knowledgeable and excited to help you get started at CWRU.
- Get to know the people in your communities. Whether you're living on campus or commuting, you have people around you that will assist you throughout Discover Week and beyond.
- Embrace the opportunities to meet with faculty and staff throughout the week. They are here to support you and guide you throughout your time at CWRU.
- Take care of yourself. We know you'll be tempted to stay up late with new friends or maybe skip breakfast. Start making healthy habits this week. Drink lots of water.
- The weather in Cleveland can be unpredictable, so check the weather forecast each morning. You never know when you'll need an umbrella or maybe extra sunscreen.
- Have your CWRU ID card with you at all times. You need it to swipe for meals in the dining halls. Also, please wear your Discover Week name tag. We want to know who you are and it's your all-access pass to Discover Week events.
- HAVE FUN! As with any orientation program, there are required activities you need to attend, but there are also opportunities to just enjoy yourself and meet new people.
