SHORT ESSAYS

Answer the following questions in a separate document that should accompany this form. Please provide no more than **one page** single spaced per question except question one which can be 5300 characters.

1. Describe how you became interested in pursuing a career in your chosen health profession. Include any relevant experiences, influences, and overcome hurdles or setbacks.
2. What clinical exposure (job shadowing and volunteer or paid work) have you had as a CWRU student and in high school? What did you learn from these experiences about your intended profession? About yourself?
3. What research experiences have you had as a CWRU student and in high school? What did you learn from these experiences about the research process and about yourself?
4. Which of your extracurricular experiences (other than clinical exposure and research) during your college career have been most meaningful? Explain in what ways you feel these experiences have strengthened your qualifications for a career in your chosen health profession.
5. Please answer one of the following questions: In what ways are you a different individual than when you matriculated to CWRU? Or talk about a time when you were a servant leader? Provide examples of experiences, accomplishments, or new perspectives that demonstrate how you have developed as an individual.

RESUME AND FOLLOW-UP MEETING

Along with this form, you must submit a **resume** that includes all clinical experiences (job shadowing and volunteer), research positions, student organizations, service work, and other employment during your college and post-baccalaureate years. It is advisable to include clinical exposure and research experience that occurred while in high school. A complete application includes all the above and a current photo of yourself.

After submitting this form, you will be required to schedule a **follow-up meeting** to discuss your essay responses and your application. The meeting will need to be at least three business days after you submit the form. You will receive an email with available times to schedule an appointment for a composite interview appointment.

LETTERS OF RECOMMENDATION

The Composite Letter Packet requires the inclusion of three letters of recommendation from CWRU faculty. Two of the faculty letters must come from the STEM areas (**best practice would be biology, chemistry physics or math**). At least one of these two letters must come from a STEM faculty member who has taught a course in which you were enrolled. The third faculty letter must come from a non-STEM area, such as the arts, humanities, social sciences, or business. Up to two additional letters may be submitted for inclusion in the letter packet. These letters may come from additional faculty members, primary investigators and research mentors, health professionals you have shadowed, work/organization supervisors, coaches, and others.

IMPORTANCE OF LETTER CONFIDENTIALITY

Students may retain their FERPA access rights to letters of recommendation that are included in the Letter Composite Packet, but it is encouraged that letters be submitted confidentially by waiving such rights. Selection Committees tend to place more value in confidential letters than letters that an applicant has seen, as it is assumed the author will be more forthcoming if the reference that is confidential. Not only can this be true in regards to writers withholding potential concerns, but authors may feel less inhibited in their praise in confidential letters. Furthermore, many admissions officers have stated that they find a confidential letter a display of confidence on the part of the applicant.

FERPA WAIVER

In order to maintain compliance with the Family Educational Rights and Privacy Act (FERPA), any member of the faculty or staff who writes a letter of recommendation that includes personally identifiable information obtained from a student or alumnus' education record (grades, GPA, class rank, etc.), should obtain signed Authorization* from the student. Please print legibly:

I _____ (name of student) authorize _____ (name of recommender) to write and send a letter of recommendation on my behalf for the medical school admission process. I expressly authorize the inclusion of my grades, GPA, class rank, and any other information from my education records in this letter. I am requesting this letter for the purpose of medical school admission.

I waive / do not waive (**student must indicate/circle one**) my right to inspect and review a copy of this letter. I understand that I have the right to revoke this waiver at any time by delivering a written revocation to the CWRU faculty/staff member identified above, but that such revocation will only be effective with respect to any actions occurring after receipt of the revocation.
