

President's Priorities

Elevate Academic Excellence
Expand our Research Enterprise
Enhance Community Engagement

Provost's Vision

To support the President's priorities, we will: Continue to elevate an exceptional academic community where intellectual vibrancy and the sharing of ideas abounds | Prepare students to be adaptable and ethical leaders of the future, and | Expand the university's footprint in making the world a better place

Strategic Pillar 1

Enhance the intellectual vibrancy and impact of the campus through heightened collaboration and engagement across faculty, staff, students and postdocs

Strategic Pillar 2

Deliver an exceptional education that prepares students to be leaders and innovators in a rapidly changing world

Strategic Pillar 3

Drive the recruitment and retention of top-tier faculty and support them in achieving excellence as researchers, scholars and educators

Strategic Pillar 4

Foster inclusive, diverse and international perspectives, and the civil exchange of ideas across the campus community and beyond

Strategic Pillar 5

Promote administrative, financial and data systems for higher efficiency, exceptional customer service, and creative solutions to support campus impact
