Enhance Community Engagement

Provost's Alignment With President's Priorities:

To support the President's priorities, we will: Continue to elevate an exceptional academic community where intellectual vibrancy and the sharing of ideas abounds | Prepare students to be adaptable and ethical leaders of the future, and | Expand the university's footprint in making the world a better place

Innovation

Enhance the intellectual vibrancy and impact of the campus through heightened collaboration and innovation across faculty, staff, students, and postdocs

Education

Deliver an exceptional education that prepares students to be nimble leaders and innovators in a rapidly changing world

Leadership

Drive the recruitment and retention of top-tier faculty and support them in achieving excellence as researchers, scholars, and educators

Engagement

Foster broad perspectives and enhance the civil exchange of ideas across the campus community and beyond

Efficiency

Promote administrative, financial, and data systems for higher efficiency, exceptional customer service, and creative solutions to support our campus
