

President's Priorities

Elevate Academic Excellence
Expand our Research Enterprise
Enhance Community Engagement

Provost's Supporting Pillars

Vibrancy

Foster collaboration and innovation to elevate an intellectually vibrant campus academic community that amplifies the university's footprint

Education

Deliver an exceptional education and experience that prepares students to be ethical and adaptive leaders and innovators in a rapidly changing world

Leadership

Drive the recruitment, development, and retention of productive and engaged faculty and support them in achieving excellence as leaders in research, scholarship, and teaching

Engagement

Foster broad perspectives and enhance the civil exchange of ideas and perspectives across the campus community and beyond

Effectiveness

Promote systems for higher effectiveness, exceptional customer service, and creative solutions to support campus impact
