Welcome to the first issue of

Turning *point*

Case Western Reserve University is a success because of people like you. We hope you enjoy these brief snapshots of our progress toward even greater success—and the partnerships that make it all possible.

We can't think of a better time to launch this publication than after one of the strongest fundraising years in recent history. Our alumni and friends contributed \$103.3 million in 2007-08—our third-highest fundraising total ever.

Thank you for sharing our commitment to the people, research, and teaching that keep Case Western Reserve at the forefront of research and scholarship.
