

Begin by logging into the SIS at case.edu/sis with your CWRU Network ID and password.

1. From your default Homepage, click the three horizontal bars in the top right hand menu and then click **Personalize Homepage**.
2. The left hand side will then display your available homepage options. The top item on that list is your current default homepage.
3. To Modify your default, simply click on the preferred default homepage, drag it and drop it to the top.
 - To cancel, click Cancel on the top left hand side.
 - To save, click Save on the top right hand side.
4. You can then click the home button to see your new default homepage.
