Begin by logging into the SIS at case.edu/sis with your CWRU Network ID and password.

1. Your Student Home appears. Click the **Classes & Enrollment** tile.

2. The **Manage Classes** screen appears.

3. Click **Print My Schedule** from the menu on the left.

4. Choose the term for which you would like to print your schedule from the drop down menu.

5. Click **Print Schedule**. A new tab should open in your browser with a PDF version of your schedule, or, depending on your browser settings, you might see a pop up that prompts you to open the file. If nothing seems to happen, you probably have pop ups blocked. Please see **How to Allow Pop-ups** for instructions on allowing pop ups on most browsers on desktop and mobile devices.

6. Use the print option in the PDF viewer to print your schedule.
