*The most recent rate agreement was approved on 4/13/2018. Unless otherwise noted in the sponsor guidelines, indirect costs are in addition to total direct costs and calculated based on Modified Total Direct Costs (MTDC). MTDC equals total direct costs less the following exclusions: capital expenditures; any amount over the first $25,000 of each subcontract (aka, subrecipient agreement) issued by CWRU; hospitalization and other fees associated with patient care whether the services are obtained from an owned, related or third party hospital or other medical facility; rental/maintenance of off-site activities; student tuition remission and student support costs (e.g., student aid, dependency allowances, scholarships, fellowships).

Overhead Rates - Training
All locations are 8%.
General rule: Basis is Total Direct Cost (TDC) less tuition, fees and equipment.
However, exclusions may vary among sponsors. Check specific sponsor guidelines.

Fringe Rate for all locations
(excluding 514100’s, 512250’s, and 512260’s.)
