

## **SAC Community Service**

The Staff Advisory Council passed the following resolution at the December 5, 2002, meeting to be forwarded to the University President.

### **Resolution on Campus-Wide Community Service Day**

In an effort to advocate President Hundert's vision for Case Western Reserve University, we, the members of the CWRU Staff Advisory Council (SAC), support the implementation of a Campus-wide Community Service Day as outlined in the attached document [[Proposal to Establish Campus-Wide Community Service Day \(pdf\)](#)]. Based on Dr. Hundert's most recent version of his vision for the University (revised 11/18/02), we believe campus-wide promotion and participation in a Community Service Day support his ideals of being a service-oriented institution dedicated to civic leadership and allows us to "think globally, act locally" with our community partners.
