

## **SAC Community Service Committee**

### **2009 Annual Report**

The SAC Community Service Committee served the community quite well with the members who were on board. With layoffs throughout the University, the membership has dropped. Although membership was not at a high, teams were able to succeed in the following:

- **Cleveland City Mission** in conjunction with the Center for Civic Engagement & Learning, a team sorted and hung clothing in the free store. The outreach was productive and enjoyable. Although the Cleveland City Mission has discontinued Saturday volunteer times, we will continue to try and serve them.
- A team volunteered at the **Cleveland Cultural Gardens** on Martin Luther King Blvd, helping to clean areas of debris in the gardens.
- **On Case for Community Day**, many Community Service members worked on different projects throughout the CWRU area.
- Community Service Committee members assisted with the **Party on the Quad**.
- The 9<sup>th</sup> Annual SAC Community Service **Basket Raffle** raised \$4,000.00 for two charities: \$3,000.00 was donated to Bellflower Center for the Prevention of Child Abuse, and \$1,000.00 was donated to Metro Health Friends of Mothers & Infants.
