

**SAC Community Service Committee
Annual Report
2007**

The SAC Community Service Committee had a very challenging but successful year that included:

- The 7th Annual SAC Basket Raffle fundraiser that raised \$4,000 donated to Restore Cleveland Hope for the Cozad-Bates home restoration/educational center project. Restore Cleveland Hope is headed by Case Alumna Joan Southgate. The home is the only pre-civil war home still standing in the University Circle area and was once part of the Underground Railroad.

- Mother's Day breakfast at Ronald McDonald House. Decorated pancakes with the kids. Presented a monetary donation collected from SAC Council members.

- Cleveland Food Bank Saturday group service project. Packed over 8,000 lbs. of food that serviced 267 families!
