

Your Career in Pediatric Behavioral Health or Medical Social Work Starts Here

At Nationwide Children's, we are creating the future of pediatric health care. We are more than a hospital. We are one of America's largest pediatric health care and research centers delivering care for more than one million patient visits each year. Families travel from around the nation and around the globe to access life-saving treatments – many unavailable anywhere else.

Our Mission

Nationwide Children's believes that no child should be refused necessary care and attention for lack of ability to pay. Upon this fundamental belief, Nationwide Children's is committed to providing the highest quality:

Patient Care

Advocacy for children and families

Pediatric Research

Education of patients, families and future providers

Outstanding Service to accommodate the needs of patients and families
