I. Description of field placement agency: Include information such as the agency mission, programs or services provided and the clients, groups or communities the agency serves.

II. Orientation to the agency: Please describe the orientation provided by the field site.

III. Educational Plan: Identify 3-6 assignments for the field period . Assignments are developed in partnership with the Field Instructor and should reflect your primary learning objectives for the field period.

IV. Supervisory Structure and Process:

```
A. Plan for weekly field instruction:
```

```
B. Plan for task supervision (if applicable):
```

C. Learning Strategies for Supervision Sessions: Discuss and document the learning strategies that will be used in weekly supervision meetings with your Field Instructor. Examples of these strategies include role play, process recordings, direct observation, review and feedback of observation, case consultation, connecting coursework to practice, reading discussions, direct instruction, reflective process/supervision and others.

D. Observation Plan: Develop a plan with your Field Instructor to observe you completing field placement assignments/activities with individuals or groups in areas of social work practice such as engagement, assessment, intervention and evaluation. Document the types of activities that will be observed this field period plan for receiving

feedback from your Field Instructor.

Generalist Field Education Student and Field Instructor Rating Scale

This scale is used by both the student and Field Instructor to evaluate the student's performance at the conclusion of each field period.

RANK	RATING SCALE	RATING SCALE DEFINITIONS
4	competence at the	Consistently demonstrates an <u>advanced level of competence</u> at the generalist level of social work practice. Activities are consistently managed at an advanced level beyond what would be expected of a generalist level student. The student exhibits advanced levels of relevant knowledge, skills, values, cognitive and affective processes and behavior.
3	<u>competence</u> at the CENERALIST	Demonstrates <u>competent performance</u> at the generalist level. Activities are managed in a competent manner consistent with what would be expected of a generalist level student. The student exhibits the appropriate levels of relevant knowledge, skills, values, cognitive and affective processes and behavior.
2	competence at the GENERALIST	Developing competence or beginning to perform at the generalist level. Some activities are managed in a competent manner consistent with what would be expected of a generalist level student. The student has not yet demonstrated consistent knowledge, skills, values, cognitive and affective processes and behavior. Additional training, instruction or supports may be necessary to promote competence.
1	<u>inconsistent</u> competence at the CENERALIST	Demonstrates inconsistent competence and performance at the generalist level. Activities are managed with some difficulty consistent with what would be expected of a student at the generalist level. The student has not demonstrated performance of relevant knowledge, skills, values, cognitive and affective processes and behavior. Additional training, instruction and supports are required to develop competence. Corrective action may be initiated.
0	competence at the CENERALIST	Does not demonstrate competence and performance at the generalist level of social work practice. Activities are not managed in a competent manner consistent with what would be expected of a student at the generalist level. The student exhibits substandard levels of knowledge, skills, values, cognitive and affective processes and behavior. Additional training and corrective action are required.
