Leadership

Are YOU looking to get involved in the MSASS community? Want to take on a leadership role? See below for opportunities:

- New positions are open on the Mandel Council! These include representatives for each of our programs and formats, including nonprofit organization, advanced standing, international and online. Please [apply here](#) by July 22nd. Voting will take place from July 23rd to July 30th. Candidates will be notified on August 1st.

- The Cleveland Clinic is developing a collaborative project with the Lerner College of Medicine, CWRU College of Medicine, MSASS, and the Fairfax CDC to implement a nine-month longitudinal project with the goal of improving health outcomes. This is a great IPE experience for **macro students** interested in **public health** and deepening **community connections**. Funding is provided. Reach out to Lindsey Gopinath at lhs56@case.edu for more details.
- Is there something you'd like to see at the Mandel School that isn't being done? You have the opportunity to activate a student group! New groups must have 4 leaders and a constitution. Check out our [website](#) to find out how!

Email mandelcouncil@case.edu if you are interested in any of these excellent opportunities.

Appreciation

We appreciate all students, faculty, staff and alumni who contributed to Mandel Day of Giving! Thank you for your continued support.
