

## **Grover C. Gilmore**

Case Western Reserve University  
10900 Euclid Avenue  
Cleveland, Ohio 44106-7164  
216-368-2256  
grover.gilmore@case.edu

### **Education**

Ph.D. The Johns Hopkins University, Baltimore, Maryland 1975 (Psychology)  
M.A. The Johns Hopkins University, Baltimore, Maryland 1974 (Psychology)  
A.B. Brandeis University, Waltham, Massachusetts 1971 (Psychology)

### **Faculty Appointments**

2002-present Professor of Social Work, Jack, Joseph and Morton Mandel School of Applied Social Sciences, Case Western Reserve University  
1975-present Professor of Psychology (1994), Associate Professor with tenure (1981), Assistant Professor (1975-1981), Department of Psychology, Case Western Reserve University.  
1974-1975 Instructor, Department of Psychology, Towson State College, Towson, Maryland.

### **Administrative Experience, CWRU**

2002-present Jack, Joseph, and Morton Mandel Dean in Applied Social Sciences (June, 2013), Dean (July 1, 2002), (Interim Dean, January – June, 2002) Jack, Joseph, and Morton Mandel School of Applied Social Sciences  
2000-2001 Associate Dean, College of Arts and Sciences. Primarily responsible for facilities and research with special interest in undergraduate advising and retention.  
1999-2000 Acting Chair, Department of Statistics  
1994 Acting Chair, Department of Psychology  
1985-1990 Chair, Department of Psychology  
1988-1990 Director, Teaching Clerkship Program, Department of Psychology  
1983-1987 Director, Experimental Psychology Program, Department of Psychology

### **Leadership, Faculty Governance, CWRU**

1999-2000 Executive Committee, College of Arts & Sciences, Chair  
1992-1993 Executive Committee, General Faculty, Chair  
1992-1993 Faculty Senate, University Libraries Committee, Chair  
1989-1990 Faculty Senate, Chair  
1988-1989 Faculty Senate, Vice Chair

### **Professional Experiences**

2015 Task Force on Shared National Conferences, National Association of Deans and Directors of Social Work, Chair

2014	Council of Social Work Education 2014 Field Summit Planning Committee
2009, 2011	John A. Hartford Leadership Academy, Invited Panelist, New York Academy of Medicine
2007-2009, 2011-13,	
2015	National Science Foundation, Panelist
2008-2011	John A. Hartford Foundation Graduate Fellowship Panel
1995	National Institutes of Health, Member of Behavioral and Neurosciences Special Emphasis Panel
1984	National Institutes of Health, Special Study Section Member and Project Site Visitor.
1979-1982	Research Psychologist, Veterans Administration Medical Center, Cleveland, Ohio. Co-Investigator on V.A. funded project investigating the processing of stimulus structure by the elderly.
1971-1974	Teaching Assistant, Department of Psychology, The Johns Hopkins University; Supervised by Drs. Howard Egeth, Bert Green Jr., Warren Torgerson, Clinton DeSoto.
1969-1971	Research Assistant, Brandeis University, in psychophysics with Dr. Sidney Stecher.
1968-1971	Research Assistant, Brandeis University, in human spatial orientation with Dr. Ricardo B. Morant.

## Professional Organizations

American Academy of Social Work and Social Welfare, Honorary Fellow  
American Psychological Association  
    Division 3, Experimental  
    Division 20, Adult Development and Aging  
Association for Psychological Science  
Association for Research in Vision and Ophthalmology  
    Visual Psychophysics & Physiological Optics Division  
Council on Social Work Education  
Eastern Psychological Association  
Gerontological Society of America, Fellow  
International Association of Social Work with Groups  
International Society for Intelligence Research  
National Association of Deans and Directors of Social Work  
National Association of Social Workers  
Psychonomics Society, Fellow  
Sigma Xi  
Society for Social Work Research  
St. Louis Group of Deans of Social Work in Research Universities, Secretary, 2009-2011  
Vision Sciences Society  
Women in Cognitive Science

**Major University Service Activities (current)**

Dean, Jack, Joseph and Morton Mandel School of Applied Social Sciences, 2002-  
Case Comprehensive Cancer Center:

Internal Advisory Board Member, 2005-  
University Center on Aging and Health:  
Steering Committee, 1989-1995; Advisory Board, 1984-1995; Senior Faculty  
Associates, 1984-

**Advisory Boards and Community Service**Current

Cleveland Hearing and Speech Center, Board of Directors, Cleveland, 2002-  
President, 2010-2012

University Center on Aging and Health, CWRU, 1984-

Past

Alzheimer Disease Center of University Hospitals of Cleveland, 1987-2000

Boy Scouts of America, Greater Cleveland Council, Board of Directors, 2005-2014

Catholic University of America, National Catholic School of Social Service, Member of  
Dean's Council, 2015-2018

Center on Adolescent Health, Advisory Board, School of Medicine, CWRU, 2002-2006

City of Cleveland Community Reentry Advisory Committee, 2003-2006

Data Collection, Analysis, and Evaluation Subcommittee, Chair, 2004-2006

Council on Social Work Education:

Council on Leadership Development, 2005-2006

Office of Social Work Education and Research Committee, 2006

American Academy of Social Work and Social Welfare, Workgroup, 2009

Health Science Advisory Board, ARCO, Los Angeles, 1989-1992

Magnolia House, Board of Directors, 2003-2013, President, 2005-2013

Office of Geriatric Medicine, School of Medicine, CWRU, 1990-1995

Teaching Nursing Home Program, School of Medicine, CWRU, 1987-1995

Tools for Tomorrow, 2005-2008

University of Denver, School of Social Work, Mentor to Dean James Herbert Williams,  
2008-2017

University of Denver, School of Social Work, Member of Board of Visitors, 2009-2018

University of New England, Board of Trustees, 2011-2020

Secretary, 2016-2019

Academic and Research Affairs Committee, Vice-Chair, 2011-2015; Chair, 2016-  
2020

Compensation Committee, 2016-2019

Executive Committee, 2016-2019

Long Range Planning, 2016-2020

President Search Committee, 2016-2017

Student Affairs Committee, Vice-Chair, 2012-2020

Trusteeship, 2011-2020

**Editorial Board Member**

Intelligence: A Multidisciplinary Journal

**Editorial Consultant**

Alzheimer's and Dementia

British Journal of Psychology

Gerontologist

Intelligence

Journal of Abnormal Psychology

Journal of Alzheimer's Disease

Journal of Gerontology: Psychological Sciences

Journal of the International Neuropsychological Society

Vision Research

**Research Grant Funding (Direct Costs only)**

NSF PFI-TT: Award No. 2002721. "PFI-TT: Interactive e-Cube games for routine cognitive assessment of mild cognitive impairment and Alzheimer's disease." Principal Investigator: Kiju Lee, Texas A&M University, CWRU subaward: Grover C. Gilmore (subaward PI), A. Lerner, M. Allan, 9/1/2019 – 1/31/2021, \$250,000 (CWRU subaward amount: \$29,772)

National Institutes of Health, R01 AG030114, "Therapeutic effects of cataract removal in Alzheimer's disease", Principal Investigator: Grover C. Gilmore, 2009-2017, \$1,829,937.

National Institutes of Health, R01 AG030114, "Cataract Removal in Alzheimer's disease-Supplement", Principal Investigator: Grover C. Gilmore, 2015-2017, \$114,453.

National Institutes of Health, R01 NS052914, "Effect of Visual Signal Strength on Alzheimer Cognition", Principal Investigator: Grover C. Gilmore, 2005-2010, \$967,129. Subcontract to grant of the same name by PI: Alice Cronin-Golomb at Boston University. The funding reported here is the CWRU portion of the grant.

National Institutes of Health, R01 EB004070, "Quantitative Image Quality for Optimization of MRI", Principal Investigator, David Wilson, Co-Investigator: Grover C. Gilmore (5%), 2004-2008, \$225,000.

National Institute on Aging, R01 AG15361, "Visual Interventions to Improve Alzheimer Cognition", Principal Investigator: Grover C. Gilmore (22%), Co-Investigators: David

Wilson, Elisabeth Koss, Julie Belkin, 1999-2005, \$779,978. Subcontract to grant of the same name by PI: Alice Cronin-Golomb at Boston University. The funding reported here is the CWRU portion of the grant.

National Heart, Lung, and Blood Institute, "Perception and Processing of X-ray Fluoroscopy Images", Principal Investigator: David Wilson, Co-Investigator: Grover C. Gilmore (5%), 2001-2004.

Alzheimer's Association, "Detection and Correction of Cognitive Deficits Via Visual Manipulation in AD", Principal Investigator: Grover C. Gilmore, 1998-2001, \$51,136. Subcontract to grant of the same name by Alice Cronin-Golomb at Boston University. The funding reported here is the CWRU portion of the grant.

National Institute on Aging, "Contrast Enhancement and Reading in Alzheimer's Disease", Principal Investigator: Grover C. Gilmore, Co-Investigators: Cecil W. Thomas, Elisabeth Koss, Bernd Remler, 1994-2000, \$558,110.

National Heart, Lung, and Blood Institute, "Perception and Processing of X-ray Fluoroscopy Images", Principal Investigator: David Wilson, Co-Investigators: Grover C. Gilmore, Cecil W. Thomas, 1993-1997, \$290,000.

Pepper Program, CWRU, "Enhanced visual cues and agitation in Alzheimer's disease", Principal Investigator: Elisabeth Koss, Co-Investigators: Grover C. Gilmore, Bernd Remler, 1995, \$10,166

National Institute on Aging, "Visual Dysfunctions in Alzheimer's Disease", Co-Principal Investigators: Grover C. Gilmore and Elisabeth Koss, Co-Investigators: Cecil W. Thomas, Peter Whitehouse, Bernd Remler, David Bardenstein, 1993-1995, \$147,731; Project in Alzheimer Center Program, Program Director, Peter Whitehouse.

Scottish Rite Foundation, "Relationship between motion perception and smooth pursuit performance in schizophrenia"; Principal Investigator: Lee Friedman; Co-Investigator: Grover C. Gilmore; 1992-1994, \$68,997.

National Institute on Aging, "Olfactory and visual information processing", Principal Investigator: Elisabeth Koss, Co-Investigator: Grover C. Gilmore, 1990-1991, \$23,000.

National Institutes of Health Small Instrument Grant, "Eye movement recording in healthy and cognitively impaired adults", Co-Principal Investigators: Douglas Detterman, Grover C. Gilmore, Milton Strauss, 1990-1991, \$5,880.

National Institute on Aging, "Health Research in Aging", (Training Grant) Co-Principal Investigators: Eva Kahana, Grover C. Gilmore, May Wykle, 1988-1993, \$316,208.

National Institute on Aging, "Visual Perception in Alzheimer's Disease", Principal Investigator: Grover C. Gilmore, Co-Investigators: Mario Mendez, Cecil Thomas, and Peter Whitehouse, 1988-1993, \$437,620; Project in Teaching Nursing Home Program, Program Director, Amasa Ford.

National Institute on Aging, "Global form analysis deficit in the elderly", Principal Investigator: Grover C. Gilmore, Co-Investigator: Fred L. Royer, 1983-1986, \$185,541.

National Institute on Aging, "Processing deficit in aging: A transient channel problem", Principal Investigator: Fred L. Royer, Co-Investigator: Grover C. Gilmore, 1983-1986, \$169,765.

Research Initiation Grant from the Teaching Nursing Home Program, Case Western Reserve University, "Aging and Visual perception: Neurophysiological and psychophysiological changes". Grover C. Gilmore, 1985-1986, \$8400.

Biomedical Research Support Grant, "Parafoveal acuity and aging", 1983-1984, \$5000.

National Institute on Aging, "Processing in aging: Global form analysis deficit", Principal Investigator: Grover C. Gilmore, Co-Investigator: Fred L. Royer, 1982-1983, \$37,333.

National Heart, Lung, and Blood Institute, "Respiratory sensations and control of breathing", Principal Investigator: Murray Altose, Co-Investigators: Grover C. Gilmore, Neil Cherniak, and Iyan Shaban, 1981-1985.

Ohio Department of Mental Health, "Very short-term memory in children with learning disability", 1978-1979, \$2809.

Biomedical Research Support Grant, "Symbol-digit and block design testing", 1978, \$1310.

Provost's Fund Award, CWRU, "Feature impletion among letters", 1976, \$500.

National Institute of Mental Health Training Grant Fellowship, 1971-1975.

## **Teaching Awards**

John S. Diekhoff Award for Distinguished Graduate Teaching, Case Western Reserve University, 1984.

Nominated for Undergraduate Teaching Excellence Award, Case Western Reserve University, 1991, 1999

Nominated for Wittke Teaching Award for Undergraduate Teaching, Case Western Reserve University, 1981, 1997, 1998, 1999, 2001.

## **Publications**

Diaz-Santos, M., Monge, Z., Salazar, R., Gilmore, G. C., Neargarder, S., Cronin-Golomb, A. (Accepted for Publication). Increasing Contrast Improves Object Perception in Parkinson's Disease with Visual Hallucinations, Movement Disorders Clinical Practice.

## Invited Presentations

Gilmore, G. C., Levy, E., Rainford, W., & Yegidis, B. Social work week: Three conferences, One City. National Association of Deans and Directors of Social Work, Asheville, N.C., April 10, 2014.

Gilmore, G. C. Vision in Alzheimer's disease. Center for the Study of Neurosciences, University of New England, Biddeford, April 4, 2011.

Gilmore, G. C. & Lerner, A. Therapeutic effects of cataract removal in Alzheimer's disease patients. Grand Rounds in Ophthalmology, University Hospitals Case Medical Center, Cleveland, March 23, 2011.

Gilmore, G. C. Successful development is about relationships. John A. Hartford Leadership Academy, Tampa, January 12, 2011.

Gilmore, G. C. Overview II: Vision. National Institute on Aging, Division of Neuroscience Workshop on Sensory and Motor Dysfunction in Aging and Alzheimer's Disease. Bethesda, MD, August 9, 2010.

Gilmore, G. C. Peripheral visual dysfunctions in Alzheimer's Disease. National Institute on Aging, Division of Neuroscience Workshop on Sensory and Motor Dysfunction in Aging and Alzheimer's Disease. Bethesda, MD, August 9, 2010.

Gilmore, G. C. Implementation of a randomized control trial: A case study. Mandel School of Applied Social Sciences, CWRU, November 4, 2010.

Gilmore, G. C. Workshop: Seeing the world through the eyes of an Alzheimer's patient, Mandel School of Applied Social Sciences, CWRU, November 30, 2007.

Gilmore, G. C. Viewing the world through the eyes of Alzheimer's disease patients, Aging Interest Group, Mandel School of Applied Social Sciences, CWRU, March 27, 2003.

Gilmore, G. C. Perceptual challenges in Alzheimer's Disease, Topics in Geriatric Medicine Series, V. A. Medical Center, Cleveland, OH, October 5, 2001.

Gilmore, G. C. Seeing through the eyes of a person with Alzheimer's disease. Akron Tri-County Alzheimer's Association, Northeastern Ohio Universities College of Medicine, Rootstown, OH, April 26, 2001.

Gilmore, G. C. Social sciences in the 21st century. Michigan State University, East Lansing, MI, February 26, 2001

Gilmore, G. C. Perceptual challenges in Alzheimer's Disease. Alzheimer Center, University Hospitals, Cleveland, OH, January 3, 2001.

Gilmore, G. C. Visual Perception in Alzheimer's Disease. Grand Rounds in Neurology, University Hospitals, Cleveland, OH, March 20, 1998.

Gilmore, G. C. Visual Deficits and higher order processing in Alzheimer's disease. Cleveland State University, Cleveland, OH, October 17, 1996.

Gilmore, G. C., & Lustig, C. A. Picture recognition in Alzheimer's disease: Impact of contrast sensitivity deficit, Conference on The Spectrum of Research on Aging and the Aged, Case Western Reserve University, Cleveland, OH, November 2, 1995.

Gilmore, G. C. Elementary visual functions in Alzheimer's disease, Alzheimer's Center of University Hospitals and Case Western Reserve University, Cleveland, OH, October 6, 1993.

Gilmore, G. C. Enhancing visual performance of Alzheimer's patients, Topics in Geriatric Medicine Series, V. A. Medical Center, Cleveland, OH, January 24, 1992.

Gilmore, G. C. Contrast sensitivity of Alzheimer disease patients, AERO Annual Conference, Independence, OH, October 17, 1991.

Gilmore, G. C. Validation of the Performance Assurance Computerized Test (PACT), Human Performance Testing Conference and Workshop, EXXON Biomedical Sciences, East Millstone, NJ, October 8, 1991.

Gilmore, G. C. Factor Structure of Pact, ARCO Corporate Medical, Los Angeles, CA, August 13, 1991.

Gilmore, G. C. Sensory loss: How patients perceive their environment, 5th Annual Alzheimer's Summer Symposium, Cincinnati, OH, July 19, 1991.

Gilmore, G. C. Visual perception and Alzheimer's disease. Alzheimer's & Related Disorders Support Group, Sandusky, OH, November 14, 1989.

Gilmore, G. C. Visual changes associated with aging and Alzheimer's disease and application for clinical practice. Alzheimer's Association, Canton, OH, September 22, 1989.

Gilmore, G. C. Individual differences in perception: A multichannel model of vision. Grand Rounds, Department of Psychiatry, Metropolitan General Hospital, Cleveland, OH, January 14, 1988.

Gilmore, G. C. Visual perception and aging. Geriatric Education Center, V.A. Medical Center, Cleveland, OH, January 8, 1988.

Gilmore, G. C. Global form processing by the elderly. V.A. Medical Center, Brecksville, OH, November 6, 1985.

Gilmore, G. C. Global form processing in the elderly. Syracuse University, Syracuse, NY, March 26, 1985.

Gilmore, G. C. Perception of stimulus structure by the elderly: Implications for intelligence testing. Gerontological Research Group, Case Western Reserve University, Cleveland, OH, March 17, 1981.

Gilmore, G. C. Symbol-digit coding in psychotics and non-psychotics. Veterans Administration Medical Center, Brecksville, OH, June 11, 1980.

Gilmore, G. C. Global coding in early visual processing. Digital Equipment Corporation, Maynard, Massachusetts, March 11, 1980.

## Abstracts

Egeth, H. & Gilmore, G. C. The effects of redundancy on visual comparisons. Presented at the annual meeting of the Psychonomic Society, St. Louis, 1973.

## Conference Posters

Gilmore, G. C., Riedel, T. M., Debanne, S. M., Lass, J. H., Lerner, A. J., Belkin, J. K., Steinemann, T. L., Ogracki, P. & Sami, S. (April, 2018). Improvement in vision, cognition, and neuropsychiatric symptoms following cataract surgery in patients with dementia. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Lerner, A. J., Debanne, S. M., Belkin, K. K., Lass, J. M., Ogracki, P., Riedel, T. M., Sami, S. A., Steinemann, T. L., Gilmore, G. C. (November, 2015). Improved vision, cognition, and neuropsychiatric symptoms following cataract surgery in subjects with dementia, Poster presented at the Clinical Trials on Alzheimer's Disease, Barcelona, Spain.

Lerner, A. J., Debanne, S. M., Belkin, K. K., Lass, J. M., Ogracki, P., Riedel, T. M., Steinemann, T. L., Sami, S. A., Gilmore, G. C. (November, 2014). Visual and cognitive improvement following cataract surgery in subjects with dementia. Poster presented at the Clinical Trials on Alzheimer's Disease, Philadelphia, PA.

Lerner, A. J., Debanne, S. M., Lass, J. M., Belkin, J. K., Steinemann, T. L., Riedel, T. M., Gilmore, G. C. (July, 2014). Visual and cognitive improvement following cataract surgery in subjects with dementia. Poster presented at the Alzheimer's Association International Conference, Copenhagen, Denmark.

Lass, J. M., Belkin, J. K., Steinemann, T. L., Riedel, T. M., Lerner, A. J., Debanne, S. M., Gilmore, G. C. (May, 2014). Visual and cognitive improvement following cataract surgery in dementia patients. Poster presented at the annual meeting of the Association for Research in Vision and Ophthalmology, Orlando, FL.

Riedel, T. M., Debanne, S. M., Lass, J. M., Lerner, A. J., Belkin, J. K., Steinemann, T. L., Gilmore, G. C. (April, 2014). Effects of Cataract Surgery on Vision and Cognition in Dementia Patients Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Colon, M., Seichipene, D. R., Neargardner, S., Laudate, T., Gilmore, G. C., Cronin-Golomb, A. (April, 2010). The effects of luminance and contrast on object location in normal aging and Alzheimer's Disease. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Gilmore, G. C., Cronin-Golomb, A., Lee, G., Riedel, T., Groth, K. (April, 2010). Semantic priming is non-monotonically related to stimulus quality. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Laudate, T. M., Neargarder, S., Joshi, P., Gilmore, G. C., Cronin-Golomb, A. (April, 2010). Effects of stimulus characteristics of a computerized bingo game on performance in aging, Alzheimer's Disease, and Parkinson's Disease. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Reese, B., Toner, T., Riedel, T., Gilmore, G. C., Cronin-Golomb, A. (April, 2010). Digit cancellation task Is affected by both sensory and cognitive deficits. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Seichipene, D. R., Reynolds, S., Neargarder, S., Gilmore, G. C., Cronin-Golomb, A. (April, 2010). Visual enhancements improve performance on activities of daily living in Parkinson's Disease and healthy aging. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Dunne, T., Sullivan, K., Laudate, T. M., Reese, B., Seichepine, D., Neargarder, S., Gilmore, G. C., & Cronin-Golomb, A., (April & June, 2008). Recreating the real world: Lessons from a controlled naturalistic study of visual cognition. Poster presented at the Cognition and Aging Conference, Atlanta, GA. and the Massachusetts Neuropsychological Society, Boston, MA.

Gilmore, G. C., Groth, K. E., Cronin-Golomb, A., Riedel, T., Syh, J., Ekka-Duffy, S. (April, 2008). Semantic priming is non-monotonically related to stimulus quality. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Seichepine, D. R., McCallum, M., Neargarder, S., Gilmore, G. C. and Cronin-Golomb, A. (April, 2008). Finding the pill on the floor: How luminance and contrast affect elderly individuals' object detection abilities across computerized and naturalistic assessments. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Cronin-Golomb, A., Gilmore, G. C., Neargarder, S., Morrison, S., & Laudate, T. (April, 2006). Enhanced stimulus contrast improves visual cognition in aging and Alzheimer's disease. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Morrison, S. R., Gilmore, G. C., Cronin-Golomb, A., Neargarder, S., & Laudate, T. (April, 2006). Deficits in motion perception reported in aging and Alzheimer's disease are influenced by stimulus strength and gender. Poster presented at the Cognition and Aging Conference, Atlanta, GA.

Gilmore, G. C. & Patterson, B. A. (November, 2004). Mnemonic benefit of perceptual interference in young and older adults. Poster presented at the annual meeting of the Psychonomic Society, Minneapolis.

Cronin-Golomb, A., Gilmore, G. C., Morrison, S. R., Groth, K. E., Neargarder, S. A., Patterson, B. A. & Laudate, T. M. (July, 2004). Enhancement of contrast improves the visual information processing of Alzheimer's disease patients. Poster presented at the International Conference on Alzheimer's Disease and Related Disorder, Philadelphia, PA.

Gilmore, G. C., Morrison, S. R., & Cronin-Golomb, A. (July, 2004). Contrast sensitivity decline in Alzheimer's disease: VCTS, FACT, or artifact? Poster presented at the International Conference on Alzheimer's Disease and Related Disorder, Philadelphia, PA.

Gilmore, G. C., Morrison, S. R., Cronin-Golomb, A., Amick, M. (July, 2004). Visual motion deficits in Alzheimer's disease are not due to cognitive overload. Poster presented at the International Conference on Alzheimer's Disease and Related Disorder, Philadelphia, PA.

Heidi Braunschweig (2002) Can we reverse the aging process? Reaction time in young and older adults.

Beth A. Patterson (2002) Mnemonic benefit of perceptual interference is due to encoding effort.

Carla Arlien (2001) Identification of facial expressions of emotion in younger adults using an Alzheimer's Disease contrast sensitivity deficit simulation.

Cindy Lustig (1996) Effects of stimulus luminance on span of apprehension in young and elderly adults.

Sarah Morrison (1996) When do we see the forest or the tree? An exploration of global precedence.

Ruth A. Spinks (1996) The effect of an age-related spatial contrast simulation on cognitive test performance.

Traci Stuve (1994). The effect of spatial frequency content on motion detection thresholds.

Lisa Townsend (1992). The effects of spatial frequency and contrast manipulations on letter identification.

Zenovia Fakkas (1992). Effects of contrast and spacing manipulations on visual crowding and response competition.

Allyson Rosen (1990). Spatial frequency interactions in young and elderly adults.

Mario F. Mendez (1989). The allocation of spatial attention in the visual field: scanning or spreading?

G. Grant Holtzberg (1986). Visual information processing and schizophrenia as measured by the symbol digit substitution test.

Bettina J. Katz (1986). Spatial facilitation in young and elderly adults.

Thomas Paul Swales (1983). The perception of stimulus structure.

Terry R. Tobias (1983). Global form analysis in the elderly.

Michael J. Esson (1983). The performance of schizotaxic and normal college students on symbol digit substitution, line estimation, and visual search.

Rebecca Zuti (1982). The perception of respiration in asthmatics.

Kathryn Perez Riley (1982). The effect of antihypertensive medications on mood and cognitive performance in older male hypertensives.

Karen Constance Haeberle (1981). Multidimensional scaling of block design patterns.

Daniel Raymond Lambert (1980). The effect of perceptual organization on the early stages of visual information processing.

William W. McMillan (1979). Speed vs. accuracy emphasis in a non-linguistic serial motor task.

Bonita B. Vargo (1979). Feature specific inhibition: re-examined.

Erna J. Schwartz (1978). The influence of visual feature similarity on processing capacity.

### **Previous Major University Service Activities (*chronological order*)**

Co-Chair, Search Committee for Dean of the Frances Payne Bolton School of Nursing, 2017-2019.

University Campus Master Planning Committee, 2014-2015

University Budget Committee, 2013-2015  
Co-Chair, Search Committee for Dean of Case School of Engineering, 2011  
University Research Committee, 2007-2009  
University Budget Committee, 2006-2009  
Charity Choice Campaign, Co-Chair, 2003-2008  
Faculty Athletic Advisory Board, 2004-2008  
President's Advisory Committee on Promotion and Tenure, 2004-2008  
University Arts & Retail District Developer Selection Committee, 2006-2008  
Branding Task Group, 2006-2007  
Design Committee for Mandel Center Building, 2005-2007  
University Research Committee, 2006-2007  
*Alzheimer Disease Center of University Hospitals*:  
Advisory Board, and Consultant, 1987-2006  
*Western Reserve Historical Society*, Planning Committee for Carl and Louis Stokes  
Exhibit, 2006  
Capital Planning Committee, 2003-2006  
Search Committee for Dean of Weatherhead School of Management, 2006  
University Accreditation, Steering Committee, 2002-2005  
Faculty Engagement Subcommittee, 2002-2005  
Architect Selection Committee for Mandel Center Building, 2004  
Quality of Work-Life Committee, 2004  
Undergraduate Enrollment Management Team, 2001-2003  
Interim Dean, Mandel School of Applied Social Sciences, Jan.- June, 2002  
Freshman Advisor, 1997-1999, 2000-2002  
Search Committee for Dean, Mandel School of Applied Social Sciences, 2001-  
2002  
Associate Dean, College of Arts and Sciences, 2000-2001  
Chair Council, College of Arts & Sciences, 1999-2001  
Committee on Educational Programs, Subcommittee on General Education  
Requirements, College of Arts & Sciences, 2000-2001  
Committee of Research Deans, 2000-2001  
Dean's Advisory Group on Recruitment, 2000-2001  
Executive Committee, College of Arts & Sciences, 1993-1996, Chair (1999-2000),  
1998-2002  
Faculty Senate, Committee on Compensation, 2000-2001  
Graduate Committee, College of Arts & Sciences, 2000-2001  
Research Day 2003, Planning Committee, 2001-2001  
Undergraduate Scholars Committee, 2000-2001  
University Undergraduate Faculty, Executive Committee, 1998-2001  
Acting Chair, Department of Statistics, 1999-2000  
Department of Communications Sciences, Senior Faculty Review Committee,  
Chair, 1987-90, 1994, Member, 1996, 2000  
Faculty Senate, 1986-1991, 1992-1996, 1996-2000  
Faculty Senate, Executive Committee, 1987-91, 1994-1995, 1997-2000  
Orientation Task Force, 1999-2000  
Schubert Center, Advisory Committee, 1997-2000

Department of Sociology, Promotion Review, 1998  
President's Advisory Committee on Promotion and Tenure, 1997-1998  
Advisory Committee on Undergraduate Advising, 1996-1997  
Search Committee for Selah Chamberlain Chair in Sociology, 1995-1997  
Task Force on Professional Internships, 1996-1997  
Search Committee for Assistant Dean of Freshmen and Assistant Dean for Advising, 1995-1996.  
Senior Faculty Review Committee, Department of Communications Sciences, Chair, 1987-90, 1994, Member, 1996  
Teaching Evaluation Committee, Arts & Sciences, 1995-1996  
Advisory Board, Office of Geriatric Medicine, School of Medicine, 1990-1995  
Honorary Degree Committee, 1994-1995  
Summer School Committee, Art & Sciences, 1994-1995  
Acting Chair, Department of Psychology, 1994  
Science Advisory Board, Teaching Nursing Home Program, 1987-1993  
Search Committee for Chair of Department of Statistics, 1993-1994  
Executive Committee, Humanities, Arts & Social Sciences, 1988-89, 1990-1993  
Executive Committee, General Faculty, 1989, 1991-93, Chair (1992-1993)  
Faculty Senate, University Libraries Committee, 1991-1993, Chair (1992-1993)  
Faculty Senate, Information Resources Committee, 1992-1993  
Committee on the Status of Women Faculty at the University, 1991  
Chair, Department of Psychology, 1985-90  
Chair, Faculty Senate, 1989-90  
Vice-Chair, Faculty Senate, 1988-89  
Chairs' Council, Humanities, Arts & Social Sciences, 1985-90  
University Circle Inc., Member of Board and Executive Committee, 1988-89  
Strategic Planning Committee for Humanities, Arts, & Social Sciences, 1989-90  
Strategic Planning Committee for the Colleges, 1987-88  
Budget Committee for Humanities, Arts and Social Sciences, 1987-88  
Task Force for Restructuring the Colleges, 1986-87.  
Director, Teaching Clerkship Program, Psychology, 1988-90  
Student and Faculty Executive Roundtable (SAFER), 1988-89, 1991  
University Policy Committee on Undergraduate Programs, 1985-1987  
Department representative for undergraduate admissions, 1985-90  
Director, Experimental Psychology Training Program, 1983-1987  
Undergraduate Admissions Committee for Western Reserve College, 1981-1984  
Case Institute of Technology Assembly, Curriculum Committee, 1977-1979  
Western Reserve College Representative to Case Institute of Technology Assembly, 1977-1979

October, 2020
