

Mandel Center Conference Room

Rooms 210, 223

Main Screen

To power on the main screen touch anywhere on the control panel to take it up. Then touch the “On” button.

There are two input options for this screen. Please select either “PC” for the built-in computer or “HDMI” for your personal computer connected to the HDMI wall port.

Logging on to the in-room computer uses your CWRU Network ID and Passphrase.

When you are finished using the conference room, please turn off the system by pressing "Off".
