

2025 | SUMMER Experience Survey

brought to you by the Center for Career Success

While this data reflects sophomores, juniors, and seniors, it's important to note that these students were surveyed during the summer—before officially entering their next academic year. Even so, the results show strong engagement and meaningful opportunities, highlighting an impressive early start in career development.

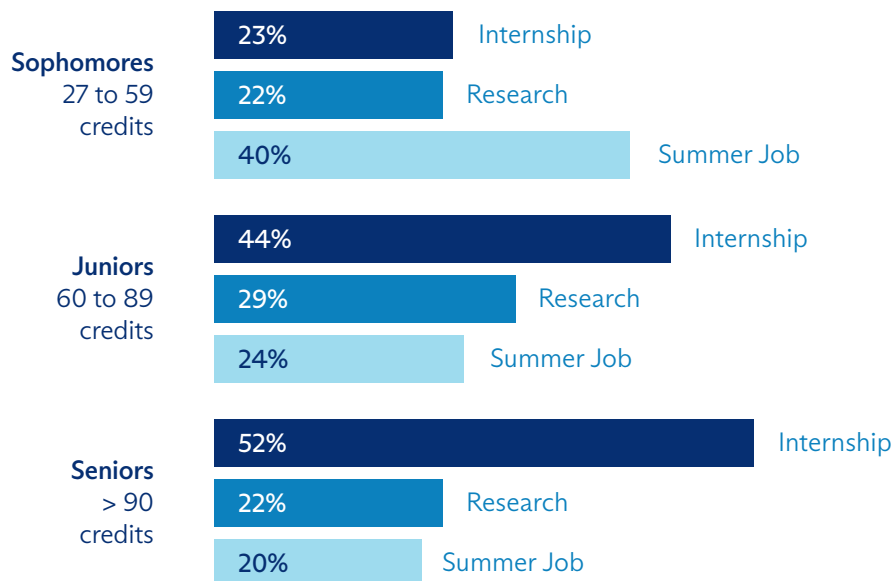

Survey Participation

4,675 recipients
62% response rate

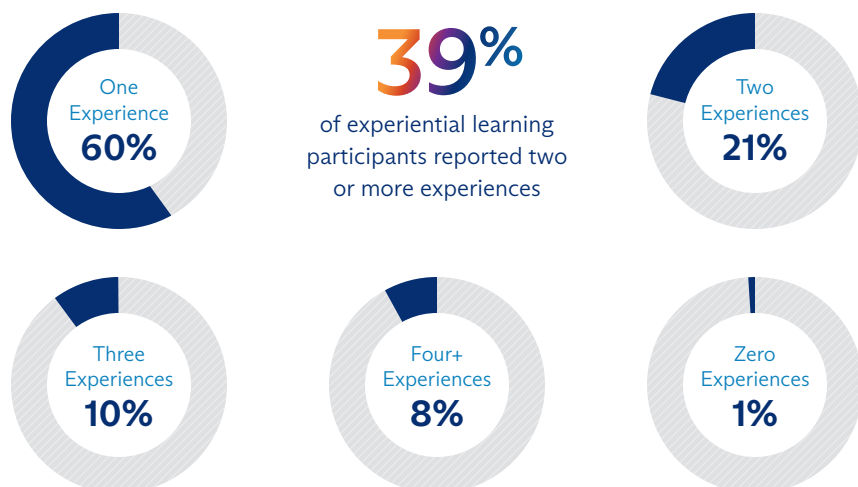

Participation by Class Standing

Class standing is determined by number of credits earned.

Number of Experiences

Reported engagement of meaningful summer experiences.

Percentage of students who participate in experiences.

Education Abroad includes any instance where students go abroad for endorsed CWRU academic purposes, credit and/or not for credit, such as internships, co-ops, research, service programs, conference travel and overseas travel by student organizations.
