# Generate Residency Verification

A proof of residency is a document confirming where you live, which will include your name, address and dates you occupied the residence. Students commonly use our proof of residency for voting, obtaining city street parking permits, or for renting off-campus housing. You can obtain a proof of residency for each semester you have lived on campus.

## Print via Wepa

This option will send a copy of your residency verification to your wepa account. Press the SEND button to process the form. You can print it at any wepa kiosk in a few minutes and for up to seven days.

Send to Wepa 🖨

## Send via Electronic Mail

This option will send a copy of your residency verification to an email address that you specify. Enter the email address below and press the button to send the verification. You will receive a copy of the verification in your CWRU email.

Send to Email ✉

## Send via Fax

This option will send a copy of your residency verification to a US fax number that you specify. Enter the complete 10-digit number (without punctuation) and press the SEND button to send the verification. You will receive a confirmation that the transmission was successful or failed in your CWRU email. Although faxes are generally sent immediately, it may take up to an hour to receive an error notification.

Send to FAX ✎
