

Getting Involved: HEALTH

Advocates for Cleveland Health

The organization's goal is to serve as a platform for students seeking to serve the Cleveland community through medical screenings and increase health literacy among members and the general public through public health education.

AIDS Taskforce of Greater Cleveland

The AIDS Taskforce of Greater Cleveland provides a compassionate and collaborative response to the needs of people infected, affected and at risk of HIV/AIDS. This is accomplished through leadership in prevention, education, supportive services and advocacy.

Alzheimer's Association – Cleveland Area Chapter

To eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health.

American Cancer Society

The ACS is the nationwide community-based voluntary health organization dedicated to eliminating cancer as a major health problem. See the section of the website called "Get Involved" to find out about the many volunteer opportunities available.

American Red Cross of Greater Cleveland

A variety of volunteer opportunities are available both in disaster relief and in blood donation collections with 4 Blood Donation Centers in the Cleveland area.

Care Alliance Health Center

Care Alliance Health Center is the leading provider of primary health care and comprehensive dental services to individuals and families who are experiencing homelessness, living in public housing, and uninsured or underinsured in Cleveland.

Cleveland Hearing & Speech Center

Cleveland Hearing & Speech Center (CHSC) consistently serves over 6,000 children and adults each year and provides the following programs and services: Hearing, Community Center for the Deaf and Hard of Hearing and Speech- Language and Learning.

Cleveland Sight Center

The mission of Cleveland Sight Center is to enable people with visual impairments to reach their full potential and to educate society to an understanding and acceptance of visual impairment.

CWRU EMS

The goal of CWRU EMS is to attend to the emergent medical needs of the Case Western Reserve University community while continuing to foster general interest and education in public health and safety.

Hospice of the Western Reserve

Hospice of the Western Reserve provides palliative end-of-life care and comfort, caregiver support, and bereavement services to relieve suffering, promote quality of life, and foster choice in end-of-life care.

Joseph S. and Jeannette M. Silber Hope Lodge, Cleveland, OH

Hope Lodge serves as a home away from home for people who need temporary, comfortable, supportive accommodations offered free of charge during cancer treatment.

Louis Stokes Cleveland VA Medical Center

The Louis Stokes Cleveland VA Medical Center provides both inpatient & outpatient health care services at their facility in Cleveland located at Wade Park. The mission of the VA Medical Center is to ensure that quality medical care is provided on a timely basis within the law to all authorized veterans.

MetroHealth

The MetroHealth System has been serving the medical needs of the Cleveland community for 170 years. Today, MetroHealth is one of the largest, most comprehensive health care providers in Northeast Ohio.

Medwish International

MedWish International is a not-for-profit organization that saves lives and the environment by repurposing discarded medical supplies and equipment to provide humanitarian aid in developing countries.

Recovery Resources

Recovery Resources has a 55-year history of helping people triumph over mental illness, alcoholism, drug and other addictions in Northeast Ohio. Recovery Resources delivers outpatient mental health and substance abuse prevention and treatment programs in nine locations and touches 13,000 clients annually in Cuyahoga County.

Ronald McDonald House

The Ronald McDonald House of Cleveland offers a place to call home at little or no cost so families can access the best health care, regardless of their location. This allows families to stay together, which can help their children heal faster and cope better.
