ON-CAMPUS SUPPORT

PARKING SERVICES

CWRU Office of Access Services manages the University's parking program and is responsible for implementing its policies and procedures. For questions regarding parking services, call 216.368.2273 or email parking@case.edu. Parking Services also has motorist assistance. As a courtesy to all valid permit parkers, LazParking offers the following motorist assistance: battery starts, emergency gasoline (at cost), flat tire inflation, and lost vehicle assistance. For assistance, please call 216.791.6226.

SAFE RIDE

The service is an after-hours addition to public transportation. It runs seven days a week between 6pm and 3am. Security officers drive all Safe Ride Vehicles. If you need a ride outside of these hours, call CWRU dispatch at 216.368.3300. There are three ways to request a Safe Ride. Visit saferide.case.edu, call 216.368.3000, or download "CWRU Spartan Ride" from the iPhone App Store or Google Play.

DEDICATED GROCERY ROUTE

Spartan Ride launched a dedicated loop to and from Dave's Market daily from 6pm to 9pm. Riders are able to use this service to shuttle from the Spartan Ride service area to Dave's Market and back, providing lower wait times for other riders and support for those who need to transport groceries. Riders can locate the nearest shuttle route to find the quickest way to their destination on the CWRU Spartan Ride app downloadable from the iPhone App Store or Google Play.

ACCESSIBILITY

CWRU is committed to providing transportation options for all students, faculty, and staff, including those who are permanently or temporarily disabled. Daily service is always free and most shuttles are already wheelchair accessible. If you need assistance, please call 216.791.6226 and we will dispatch an accessible vehicle immediately. For students seeking an on-going solution, specific arrangements must be made with us after being certified by Disability Resources. To reach Disability Resources, email disability@case.edu or 216.368.5230.

RTA PASSES

Undergraduate Students can enjoy free access on any bus or train operated by the Greater Cleveland Regional Transit Authority. The program, known as U-Pass, short for "Universal Pass," enables students to ride the RTA anywhere, at any time. You must be a full-time student enrolled for the current semester to be eligible for this program. Students must get a new U-Pass sticker for both the fall and spring semesters. For students residing in University Housing, U-Pass stickers will be issued at their assigned area office. Commuter students can pick-up their stickers from Access Services. Graduate Students can enjoy free access on any bus or train operated by the Greater Cleveland Regional Transit Authority if their school has opted to participate in the program. [You can plan a trip and get directions with RTA here.](#)
