

TELEHEALTH SERVICES NOW AVAILABLE

Cleveland Rape Crisis Center is committed to providing high-quality healing services to survivors of rape and sexual abuse and their loved ones during this difficult time. Our office locations are closed until further notice.

Cleveland Rape Crisis Center continues to offer the following services to current and new clients:

- Counseling via telehealth services by computer, smartphone, or phone.
- Victim assistance and case management via teleservices by computer, smartphone, or phone.
- Our Crisis & Support Hotline provides 24/7 support, information and connections to resources.
- Through the Project STAR (Sex Trafficking Advocacy and Recovery) program, we are providing victim assistance, case management, and counseling to survivors of human trafficking, by computer, smartphone, or phone.
- The Project STAR Hotline provides 24/7 support, information, and connections to resources for survivors of trafficking, as well as members of the community.
