Privacy and PrEP

How to keep PrEP private from your insurance policyholder:

1. Identify your insurance carrier and policy number
2. Check state protection status of your information (bottom QR code)
3. Call insurance company
4. Request personal information is removed from Explanation of Benefits (EOB) and sent directly to you
5. Your insurance company may refuse this request
6. Use online pharmacies when possible

States which protect privacy of insured dependents:
