Hi

I hope all is well.

I reviewed your schedule on June 19th and it looks great! MATH 125, CHEM 105, BIOL 214, and BIOL 214 L should be a good fit as you continue to consider the Biology (BA) major on the Pre Med track. You mentioned an interest in neuroscience, so you may also consider NEUR 166: Explorations in Neuroscience, a 1 credit hour course.

If you have more questions, feel free to schedule a follow up on journey.case.edu.

Best wishes,

Jenn
Thank You!
