Submission Guidelines

### Competition Overview

Help us inspire people at CWRU and in Cleveland to action in new ways!  
Share something that gives you climate hope and reflects climate justice:

- ▶ A climate change mitigation success,
- ▶ A climate success story that is inspiring,
- ▶ Or show us how to look at Climate Change through a new lens, something that will move others to take action to lower their own footprint!

\* The Inamori Student Art Award will be given to the entry that best represents the following:

- ▶ Is there consideration of effects on others and potential for disproportionality of effects?
- ▶ Does this represent genuine equity or efforts toward genuine equity? For all or for some?

## Make your Submission by March 11
